HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF DULWICH HAMLET FC

The Hamlet are back in the Isthmian League for the 2023-24 season for the first time since 2018 following five years in the National League South.

Those five seasons at Step 2 represented the highest level achieved during our 130-year history but ended in heartbreak on the final day of last season. Only needing a point to avoid the drop against Chippenham Town, the side would lose 1-0 in front of a sell-out 3,334 at Champion Hill, with other results elsewhere condemning us to relegation.

The club with the famous pink and blue shirts can boast an illustrious past as a giant of the amateur game. Our story began back in 1893. During that summer, Lorraine 'Pa' Wilson was handed a sum of one shilling and eight pence by a couple of keen young footballers and asked to start a Dulwich Hamlet Football Club. He tackled the task with great relish and over the next thirty years, helped to build Dulwich into a powerful force. The early days were tough. The club's original ground in Woodward Road had no changing facilities. On match days the players used to walk half a mile to get from their dressing room to the pitch, often carrying the goalposts, crossbars, and corner flags with them.

Dulwich made their competitive debut when they joined the Camberwell League in 1894-95. The following season the championship of that league's 'B' Division became the first entry in our honours list. After achieving senior status in 1900, we won our first Surrey Senior Cup in 1905, and still hold the competition record with 16 wins, most recently in 1975. In 1907, Dulwich gained election to the Isthmian League.

During the First World War, the legendary Edgar Kail joined Dulwich. In his fourteen-year career, Kail scored 427 goals, and played three times for the full England side, scoring twice on his debut against France. Kail helped Dulwich to league titles in 1920, 1926 and 1933, two FA Amateur Cup triumphs in 1920 and 1932, and the London Senior Cup in 1925. Another Hamlet legend of that era was goalkeeper Bert Coleman who gained a full England cap in 1921, keeping a clean sheet against Wales. Dulwich's other major successes between the wars were further Amateur Cup wins in 1934 and 1937, and another London Senior Cup victory in 1939.

Dulwich were quickly into their stride post-war and in 1949 they were Isthmian League champions for a fourth time. In 1950 they lifted the London Senior Cup again. One of the most popular players of the period was left-winger Tommy Jover whose career goals tally for Dulwich has only been bettered by Kail. Tommy completed more than seventy years service as player, official and President from 1985 until his death in 2008. The club's main stand is named in his honour.

Dulwich went through a lean spell during the 1960s and 70s, culminating in relegation from the top division. However, they bounced straight back under manager Alan Smith, winning the Division One championship at the first attempt in 1978.

Since the phasing out of amateur football in the 1970s, Dulwich have been semi-professional and compete in the FA Trophy. Their best run so far in the competition was in 1979-80 when they reached the quarter-finals, this was repeated in 2016-17.

As the 1980s progressed, the club fell on hard times again and despite a London Senior Cup success in 1984 they struggled in the Isthmian League, being relegated to Division One in 1990. It took two years to return, an exciting finale to the 1991-92 campaign saw the Hamlet earn promotion on the final day of the season. Dulwich were able to celebrate their centenary by moving into a new stadium. For a long time, our old ground was the mecca for amateur football, opening in 1931. In 1933, Kingstonian and Stockton played in a record-breaking 20,744-strong crowd for the FA Amateur Cup Final. Due to disrepair, the old ground had to be altered to satisfy safety regulations. In 1991, Sainsbury's redevelopment of the area demolished the stadium.

Frank Murphy transformed us into championship contenders again in the mid-1990s, before the decade ended with a run to the FA Cup First Round under Dave Garland. The club also lifted the London Challenge Cup in 1999, beating Uxbridge 2-1.

Relegation occurred again in 2001, which brought a long spell back in Division One. Promotion was almost regained under Martin Eede in 2004, however a 4-5 penalty loss to Wealdstone in a promotion play-off

ended those dreams. Three days later, we beat Tooting & Mitcham United for our fifth and most recent London Senior Cup title.

Eede was succeeded first by Wayne Burnett and then Craig Edwards, before the arrival of former player Gavin Rose in the summer of 2009 as manager gave the club an upturn in fortunes. After a mid-table finish in his first year, he took the side to the Division One South play-off final in 2011, only to lose 4-3 to Leatherhead after extra time.

Rose would lose the final again 12 months later, but undeterred, 2012-13 would bring joy. Blending a mixture of experience with exciting youngsters, the Hamlet were involved in a scintillating title race with Maidstone United, with the season going to the final weekend. Against Burgess Hill Town at home, a second half strike from Xavier Vidal earned the point we needed to secure the title.

2017-18 brought more success, as we ended with a club-record 95 points in second place. This was made even more impressive by the fact that we had been evicted from Champion Hill that March, with home games at Tooting & Mitcham United. Leiston were beaten in the semi-final, before goalkeeper Amadou Tangara was the hero in the final, saving two Hendon penalties in the shootout after a 1-1 draw, with Dipo Akinyemi striking the winning spot-kick to send us to the National League South.

Life at Step 2 was a rollercoaster, with a 14th-placed finish in our first season. The following year brought an appearance in the FA Cup First Round, televised live on BBC1 against Carlisle United. 2021-22 brought us a 10th-placed finish, the highest position in the club's history.

Last season, the club parted company with Rose after 13 years in charge, with Paul Barnes replacing him. However, a loss of form in the spring saw another change, as Hakan Hayrettin came in, but despite keeping us in the running for survival, that defeat on the final day condemned us to the drop.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Dulwich Hamlet, their committee, players and supporters, and also to our officials, referee Josh Evans and his assistants Chris Bodell and Steve Bodell.

On Saturday we were narrowly beaten 4-3 by Hertford Town, 3-1 down with 10 minutes to go, 2 late goals looked like we were going to draw the game until Hertford snatched a winner. I think it's fair to say if it had been a competitive game and not a friendly then we would have made more of a fuss about the foul by the last defender in the first half, as it was, we wanted a test so playing against 10 men would not have given us that, so I feel the referee made a just decision.

Next Tuesday an additional fixture has been put in the diary with AFC Dunstable taking up our offer of a friendly, the game will be a 7,45pm kick off. It was felt with the size of the squad and the fact we haven't arranged as many friendly games this season as in the past, that an additional game would be beneficial to give players more game time.

The Dunstable game follows our game here on Saturday (3rd August) against Hayes & Yeading which is a 3pm kick off.

Looking ahead to tonight's game, we didn't have much to cheer last season but if I had to select a highlight then Matt Young's 90th minute penalty equaliser away at Dulwich Hamlet in the FA Cup would be it. The jubilation at the time and celebrations after were fantastic, it also felt huge to get a result at such a well known club.

That game holds fond memories for me, as being a relatively new secretary it was the first FA competition game I'd been involved in, I remember having sleepless nights for fear of the dreaded, fielding an ineligible player or not doing something I was supposed to do. As it was, I need not have worried all was always going to be ok, I learnt a lot that day though and I must say the welcome Dulwich gave us was lovely. That meant a lot.

With the league season fast approaching it has been great to see so many supporters taking up the offer of the free season ticket, at last look we were up to 550 tickets obtained. In what will be a competitive league any advantage we can gain will help, so having a large crowd every home game could help motivate the team on. Also, we have over 50 members signed up this season, which is great, thank you.

I hope we see a good game today, in what will be a good test for us. Come on Boro!

Women's Team

This Sunday the team are at home to Aylesford which is a 2pm kick off.

The first league game is on Sunday 18th August against Dussindale & Hellesdon Rovers.

Under 23s

The U23s played a friendly last Friday against a team Olu Durojaiye oversees and were involved in a 1-1 draw, the opposition scoring a very late equaliser.

The Essex Alliance have issued fixtures for August which can be found on the fixtures page further on. It should be an exciting season under new management and hopefully more players progress and get involved in the first team.

U18s

The U18s fixtures have not been produced yet, the only game in the diary, albeit not knowing opposition or the date yet, so loosely in the diary is the FA Youth Cup game against the winners of Sawbridgeworth Town or Saffron Walden Town away, our game against the winners is due to take place week commencing 2nd September.

100+ YEARS OF HAMLET v BOROUGH FIXTURES

Last season's games were the first League meeting of the Clubs since Borough – by then known as Tufnell Park (Edmonton) resigned from the Isthmian League at the end of season 1951/52. But what's 70 years between friends!! Hamlet were welcome visitors for a pre-season friendly in July 2018 as they are again this evening. There was a London Senior Cup game in the late 1950's when they visited Coles Park to play the Wood Green Town half of our Club and to nobody's surprise left victorious. Our Womens team did visit them in November 2019, unfortunately when our team was at its weakest level although the margin of defeat (11-0) was a bit unexpected.

Dulwich Hamlet were founded in 1893 and have never changed their name. We were founded in 1907 as Tufnell Park and space would scarcely permit a record of the name changes and mergers which eventually ended with us becoming Haringey Borough in 1970.

The first meeting of the Clubs was in season 1911/12 when they visited Tufnell Park in the FA Amateur Cup which TP won 2-0. In the same competition in 1913/14 a 0-0 draw at DH was followed by a 3-1 TP win in the replay. But the greatest of the Clubs encounters was in the FA Amateur Cup Final of 1920, played at Millwall's "The Den" on 17th April, which DH won 1-0 aet. No substitutes then and an injury meant TP had to play part of the game and extra time a man short. There was a 2nd round tie in January 1930 which finished DH 4 TP 3.

The first League encounter was in 1919/20 when TP joined the Isthmian League of which DH had been a member since 1907/08. A chart of the results from that season until we withdrew in 1952 is below.

| Season | TP Home | | DH Home | | Finishing Position* | | Season | TP Home | | DH Home | | Finishing Position* | | | |
|---------|---------|----|---------|----|---------------------|----|--------|---------|---------|---------|-----|---------------------|-----|----|---|

So overall that is 28 Dulwich Wins; 9 Borough Wins ; 17 Draws

Not very pretty reading from our point of view although if our very difficult post-war years are excluded the picture becomes considerably more rosy.

THE VIEW FROM THE BELL END

We were due to play Woodford Town last Saturday (27th July 2024) so this article would have been perfect for that programme but given the Essex Senior League started Saturday the game was cancelled and Hertford Town kindly stepped in. With the FA Cup draw taking place for the first two rounds, we still may face Woodford Town away in the Preliminary Round should they beat Benfleet on the 3rd August. Despite the change in today's opposition, I thought it was still worth reflecting on a game against Woodford from 45 years ago when a certain Jimmy Greaves, graced Coles Park.

When the Athenian League fixtures were announced for the 1979/1980 season, I am sure Tuesday, 21st August was one date many Boro supporters and ground hoppers had identified as a must-see game, after all it's not every day you get to witness a World Cup winner playing at non-league. It was also our first league home game of the season. In the preview to the match, it is said that Joe Kinnear had also signed for Woodford but I've not been able to find any reference to whether he played or not.

Judging by the report below it certainly did grab the attention of many fans and whilst they were there to see Greaves, they were also able to witness a 1-0 victory for the Boro. So, Greaves got to say he had the privilege of playing at Coles Park and we claimed the points. Happy days all round. It didn't take Woodford or Greaves long to gain revenge though, as the return league game was played only 4 weeks later on the 15th September 1979, with Woodford winning 5-0 and Greaves scoring a penalty.

As someone once said, "It's a funny old game!"

WHAT STATISTICS FOR THE LAST NINE SEASONS MIGHT TELL US ABOUT OUR CHANCES IN 2024/25

Our relegation back to the North Division means that we will be re-acquainted with 11 Clubs we met in our first 3 Isthmian seasons but not since.

There are 22 Clubs in the North Division and in our 9 Isthmian seasons we have met 14 of them in League (North and Premier Division) and Cup competitions – a total of 76 games. Our individual records against them are:-

| TEAM | P | W | D | L | F | A | GD |
|--|-----------|-----------|-----------|-----------|------------|------------|-----------|
| Brentwood Town | 5 | 3 | 0 | 2 | 8 | 9 | -1 |
| Brightlingsea Regent | 14 | 8 | 2 | 4 | 29 | 15 | 14 |
| Bury Town | 6 | 2 | 0 | 4 | 15 | 16 | -1 |
| Concord Rangers | 2 | 0 | 1 | 1 | 0 | 1 | -1 |
| Grays Athletic | 2 | 0 | 2 | 0 | 4 | 4 | 0 |
| Heybridge Swifts | 8 | 5 | 2 | 1 | 19 | 11 | 8 |
| Ipswich Wanderers | 1 | 1 | 0 | 0 | 4 | 2 | 2 |
| Maldon & Tiptree | 10 | 2 | 1 | 7 | 15 | 22 | -7 |
| Mildenhall Town | 2 | 2 | 0 | 0 | 8 | 1 | 7 |
| Redbridge | 3 | 2 | 0 | 1 | 4 | 2 | 2 |
| Tilbury | 6 | 3 | 2 | 1 | 7 | 5 | 2 |
| Waltham Abbey | 6 | 4 | 1 | 1 | 14 | 7 | 7 |
| Witham Town | 7 | 3 | 1 | 3 | 10 | 13 | -3 |
| Wroxham | 4 | 3 | 0 | 1 | 4 | 3 | 1 |
| The 7 teams we will be meeting for the first time are Basildon United* Cambridge City Felixstowe & Walton United* Gorleston* Newmarket Town Sporting Bengal United* Walthamstow | 0 | 0 | 0 | 0 | 0 | 0 | 0 |
| TOTALS | 76 | 38 | 12 | 26 | 141 | 111 | 30 |

* We have played these teams before but not during the last 9 seasons

So as percentages that's 50% won 16% drawn 34% lost. Last season the North Division played only 36 games and those percentages would have given us 18 wins 6 draws and 12 losses. 60 points would have seen us finish 7th (12 points short of a Play-off place), Next season will see us play 42 games and those percentages would give us 21 wins 7 draws and 14 defeats. 70 points would at best put us on the fringe of the Play-offs so a modest improvement seems necessary if we are to have a chance of returning to Step 3 at the first attempt; or a more substantial improvement if we are to secure the Divisional Championship and automatic promotion.

“The Isthmian Football League strongly supports the Football Association’s statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual’s sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.”
