HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

However, the Club reserves the right to refuse admission to any person and the right to remain within the ground is conditional upon compliance with directions given by Club Officials. HISTORY OF AFC DUNSTABLE FC

FOUNDED: 1981

NICKNAME: THE OD's

AFC Dunstable started life as Old Dunstablians Football Club in 1981. The name Old Dunstablians originated from an organisation formed in 1888 for old boys from Dunstable Grammar School. The most famous member of the club is Hollywood actor Gary Cooper, who attended the school in the early 1900's.

When the Grammar School closed and Manshead School opened they took over the mantle, but the old boys club was in decline. In 1981 the head teacher was asked if he could re-launch the name, hence the football club was born. By 1988 after its centenary, the Old Dunstablians Club ceased to exist, but the football club carried on in commemoration and to this day still bears the club crest on its badge.

The club started in the Dunstable Alliance Football League for a couple of seasons then moved onto the Luton District and South Bedfordshire League in 1983. Still playing at Manshead School with the 1st team and reserves, success was limited with the 1st team runners up twice in Division One and runners up in the William Pease Cup. While in the Luton League though the 1st team did land the Bedfordshire Junior Cup beating Leighton Athletic on penalties in 1989/90 season.

With the club using Dunstable Town Cricket Club as their social base in Bull Pond Lane, the cricket club was looking to move to a larger site in Totternhoe and when the new club was opened in 1994, a football pitch was accommodated, so the football club moved there from Manshead School.

An improvement in facilities gave the club a chance to apply to join the South Midlands League in 1995. Accepted into Division One the club struggled, as they flirted with being relegated straight back to the Luton League in the first two seasons. Going through new managers every season, they finally started to gain some consolidation and in season 2001/02 the team finished 4th in the league and won the Division One Cup. The following season they just missed out of the title, which was now named Division Two. They finally clinched the title the next season and were runners up in the Division Two Cup. Ground Grading issues were starting to stop the team progressing as two ground sharing agreements were turned down by the league.

This was now the start of a trophy laden period, as the Division Two title again was secured and back-to-back Bedfordshire Senior Trophy's. Added to that, the Division Two Cup was won again.

In 2003/04 the club decided to launch its youth policy and when the Under 15's were runners up in the Chiltern Youth League, it started on the path to work its way through the FA Charter Standard. They achieved Adult status in 2003/04. The club then made the decision to change its name to AFC Dunstable so not to get confused with the local rugby club, as the club started to grow and the name was more associated to a football club. The club kept the name The OD's, as their nickname. The youth setup was awarded the Charter Standard in 2005/06. The next big step was to become a Development Club and a great deal of work saw the club achieve this in 2007. Next up was a goal to become a FA Charter Standard Community Club and 2008 saw the club achieve this. In that time the club has been awarded the Development Club Of The Year in 2008 and the Community Club Of The Year in 2009.

The Bedfordshire Football Association approached the club to become partners in the new Creasey Park Community Football Centre in 2008 and this gave them the chance to move the 1st team to Creasey Park and apply for promotion to Division One for the start of the 2009/10 season, which was accepted. The team finished a very creditable 5th in its first season at the higher level.

History was made in the 2010/11 season, as the team was accepted to participate in the FA Vase. A fine run through to the 2nd Round Proper was achieved. Looking to improve on the league position the previous season, the team went all out for promotion and finished runners up in the league and gained promotion to the Premier Division at their second attempt, also winning the SSMFL Division One Cup.

Now with the team in the SSMFL Premier Division and entered in the FA Cup for the 2011/12 season, they finished 3rd in the league. In the 2012/13 season the team consolidated in the Premier Division and finished a respectable 8th. Their run in the FA Cup saw them get through three rounds eventually going out to Northwood after a replay.

The team were being managed by the most successful pair in the club's history; Alex Butler and Dermot Butler, but they decided to step down after 9 years at the helm halfway through 2013/14 season. This left the team in disarray, which saw many stalwarts of the team leave. The club decided to appoint current manager Steve Heath and the club went on a re-building exercise.

2014/15 saw the team secure 3rd place in the SSMFL Premier Division as they challenged for the title all season. They also equalled their best run in the FA Vase getting to the 3rd Round proper.

2015/16 was the season that the team broke all club records. Before clinching the SSMFL Premier Division title, they progressed through two rounds of the FA Cup before finally going out to Ryman Premier leaders at the time Leiston 1-0 in the 1st Qualifying Round. The FA Vase was a great ride as the team made it to the 4th Round proper. Unfortunately, they drew phoenix club Salisbury who had competed in the Conference Premier only two seasons previous. The league campaign was a great ride. As the season reached October, only 5 points separated the top 6. By Christmas it looked like London Colney were starting to break away, going 5 points clear. The chasing pack were bunching up behind as only 6 points was the difference between 2nd and 7th. When the team lost to a last-minute penalty to Biggleswade United on January 2nd, they went 8 points behind London Colney and it looked like the title ambitions had faded. That would be the last time AFC lost in the league. With seven games left, the team went top of the league and eventually won the league by 13 points.

The 2016/17 season saw them compete in the Southern League Central Division. They competed nearly all season in a playoff place but just missed out by 3 points. The team though did pick up some silverware winning the prestigious Bedfordshire Senior Cup 2-0 against Dunstable Town at Kenilworth Road. At the beginning of this season, the Bedfordshire Premier Cup was also won.

After only their second season at step 4, 2017/18 saw them top the table at the start of the season. They occupied a play-off place all season, which in the end saw them finish 5th. A 2-0 loss in North Hampshire against Hartley Wintney ended the season.

2018/19 season was probably the most challenging as they stuttered at the start of the season. At Christmas they were flirting with relegation but turned the corner and went on a decent run that saw them looking at an outside chance of a play-off spot, but they fell away and finished 10th.

Following the disrupted 2019/20 and 2020/21 seasons due to the Covid pandemic, the 2021/22 season proved to be another record-breaking one for the OD's. Progressing the furthest they ever had in the FA Cup; AFC were knocked-out at home by step 3 side Peterborough Sports in the 3rd qualifying round. The cup run was accompanied by an excellent performance in the league. Finishing 3rd in the table, the OD's hosted Ware FC in the play-off semi-final but lost on penalties after the match had finished goalless.

The 2022/23 season proved to be the end of an era on and off the pitch. The team started well and were in and around the play-off spots until Christmas. A disastrous opening five minutes against would be champions Berkhamsted saw the team 2-0 down in a performance that turned the season on its head. The team found form hard to come by and a number of injuries led to a 13th place finish. Chairman Simon Bullard announced in February that he was to step down from his role and Steve Heath announced weeks later that he was to leave at the end of the season.

New custodians for the club were chosen in the shape of Milton Keynes based Soccer Assist (Varsity Nine) who have a good reputation for bringing through talented players who play in the UK and the US through a scholarship scheme. They appointed new managers with Joe Oxley and James Townsend taking up the men's first team lead at the end of the season.

The 2023/24 season started with going into the unknown with virtually a whole new squad of young players who's average age was between 19 and 20. They brought a fine standard of football and entertainment to Creasey Park. They reached the Bedfordshire Senior Cup Final but unfortunately narrowly lost 1-0 to Biggleswade FC at Kenilworth Road.

In the league they finished in a superb 3rd place and in a play-off position where they entertained Waltham Abbey. With twenty seconds remaining the team were winning 2-1 but a controversial goal led to an equaliser for the visitors. With the game in extra time both sides scored to make it 3-3 and another play-off semi final shootout. There was to be more heartbreak as the OD's lost 4-3 on penalties.

THE SECRETARY'S MUSINGS

We offer a warm welcome to AFC Dunstable their players, supporters and committee, we also welcome our officials, referee Nick Reece and assistants John Faithful and Daniel Fernando.

So, we have come to the end of pre-season, if you win all your games pre-season has been a big success and you are going into the new season with much confidence, if you lose more than you win, pre-season is about players getting game time and it is said you don't win promotion in pre-season. Our pre-season record is won 1, drawn 1, lost 4. Our players have got game time and we will know at around 5pm on Saturday whether you can read too much into pre-season.

Basildon United away will be a stern test for the team, we had them watched on Saturday in the FA Cup and it was interesting to see two ex-Boro players score their two goals, Ramiah Mills and Ruben Bartlett-Antwi, who both mainly starred for the U23s, three seasons ago.

Also last Saturday we learnt that we will travel to Benfleet in the FA Cup preliminary round after they beat Woodford Town 3-1 in front of a healthy crowd of 437. Benfleet play in the Essex Senior League and have started the season in addition to the FA Cup win with a win and loss in the league. It will be the first time the team clubs have played each other and I hope a good contingent of Boro fans will make the trip on the 17th August.

We have been drawn at home to Barking in the 2nd Round of the London Senior Cup, it was Barking that knocked us out last season so revenge will be looked for, as soon as the game has been arranged and a date known it will appear within the programme and on social media channels. The winners of the tie will be away to Balham or AFC Croydon Athletic in the 3rd Round.

Our game here last Saturday was won by a single goal scored by Hayes & Yeading, it occurred from a passage of play that highlights when Boro are at their most vulnerable, i.e. WE had a corner! Clearly a disappointing result as we did not really threaten the opposition's goal.

Tonight's game was put in the diary following the need for wanting more minutes for the players, John has reflected on previous games with our visitors later in the programme. AFC Dunstable were beaten in the play-offs last season in the Southern Football League Division One Central, so we can expect a tough game. Thank you to everyone that has attended pre-season games certainly the performances against Dulwich Hamlet and the 2nd half performances at Hendon and Cockfosters have whetted the appetite for the season. Those that were at Canvey Island for the game at the start of last season will remember how football can be a cruel game at times, after 20 minutes 2-0 up we were pinching ourselves and looking at each other in bemusement at how well we were playing and then an hour later 3-2 down the bemusement at how we'd lost a game we were controlling. One thing that we struggled with last season was being resolute when we found ourselves under pressure and when not playing well still managing to grind out a win or draw rather than being on the end of losing by the odd goal, maybe obvious to say but as we have a relatively new side, these traits need to be found, if we are going to find ourselves challenging in this league. I know one thing the fans will be up for this challenge and I look forward to spending many an hour, afternoon and weekend discussing the Boro with you, starting on Saturday with Basildon United away.

Enjoy the game tonight and Come on Boro!

Women's Team

This Sunday the team have a friendly at home to Billericay Town Reserves, kick off 2pm, the first league game is the following Sunday, 18th August against Dussindale & Hellesdon Rovers at Coles Park and again with a 2pm kick off.

The draw for the Women's FA Cup takes place this Friday 9th August and the Boro receive a bye in the first qualifying round and enter at the second qualifying round stage. Draws for both the first and second qualifying rounds will be announced Friday.

Under 23s

The August league fixtures have been announced with their first game taking place at home on Friday 16th August 7.45pm kick off against Frenford Development.

U18s

The U18s fixtures have not been produced yet, the only game in the diary, albeit not knowing opposition or the date yet, so loosely in the diary is the FA Youth Cup game against the winners of Sawbridgeworth Town or Saffron Walden Town away, our game against the winners is due to take place week commencing 2nd September.

PAST ENCOUNTERS WITH OUR VISITORS

Our visitors came into existence in 1981 under the name of Old Dunstablians, although Dunstable Grammar School had actually closed in 1971. They played in local Junior and Intermediate Legues until 1994 when they were admitted to the South Midlands League Division 1. That League merged with the Spartan League in 1997 and they were placed in its Division one North.. On more than one occasion promotion places had been earned but ground facilities denied them their reward and it was not until they had moved to their present excellent facility at Creasey Park in 2009 that their facilities were no longer a hindrance to their rise up the Pyramid. They had changed their name to AFC Dunstable in 2004 and they then spent five years at Step 7, followed by two years at Step 6 until they reached the Premier Division of the Spartan South Midlands League in 2011/12 and were a Step 5 Club for five years before winning its Championship in 2015/16 thus earning Step 4 status and were placed in the Southern League Division 1 Central where they have since remained to date. Despite AFC Dunstable's relatively short existence there have been 24 meetings with their various teams and as shown in the chart below Borough have slightly the better record with 10 wins to Dunstable's 6 with 8 draws. All the HB games took place at Coles Park and all except the very first AFCD entry took place at Creasey Park. The 28.11.07 game was played at Foxdell Recreation Ground, Dallow Road, Luton

WHAT STATISTICS FOR THE LAST NINE SEASONS MIGHT TELL US ABOUT OUR CHANCES IN 2024/25

Our relegation back to the North Division means that we will be re-acquainted with 11 Clubs we met in our first 3 Isthmian seasons but not since.

There are 22 Clubs in the North Division and in our 9 Isthmian seasons we have met 14 of them in League (North and Premier Division) and Cup competitions – a total of 76 games. Our individual records against them are:-

TEAM	P	W	D	L	F	A	GD
Brentwood Town	5	3	0	2	8	9	-1
Brightlingsea Regent	14	8	2	4	29	15	14
Bury Town	6	2	0	4	15	16	-1
Concord Rangers	2	0	1	1	0	1	-1
Grays Athletic	2	0	2	0	4	4	0
Heybridge Swifts	8	5	2	1	19	11	8
Ipswich Wanderers	1	1	0	0	4	2	2
Maldon & Tiptree	10	2	1	7	15	22	-7
Mildenhall Town	2	2	0	0	8	1	7
Redbridge	3	2	0	1	4	2	2
Tilbury	6	3	2	1	7	5	2
Waltham Abbey	6	4	1	1	14	7	7
Witham Town	7	3	1	3	10	13	-3
Wroxham	4	3	0	1	4	3	1
The 7 teams we will be meeting for the first time are Basildon United* Cambridge City Felixstowe & Walton United* Gorleston* Newmarket Town Sporting Bengal United* Walthamstow	0	0	0	0	0	0	0
TOTALS	76	38	12	26	141	111	30

* We have played these teams before but not during the last 9 seasons

So as percentages that's 50% won 16% drawn 34% lost. Last season the North Division played only 36 games and those percentages would have given us 18 wins 6 draws and 12 losses. 60 points would have seen us finish 7th (12 points short of a Play-off place), Next season will see us play 42 games and those percentages would give us 21 wins 7 draws and 14 defeats. 70 points would at best put us on the fringe of the Play-offs so a modest improvement seems necessary if we are to have a chance of returning to Step 3 at the first attempt; or a more substantial improvement if we are to secure the Divisional Championship and automatic promotion.
