HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

HISTORY OF TILBURY FC

Tilbury F.C. now have concrete proof that they were formed in 1889, and competed in the Gravesend League from 1889/1890. With the Docks being the only employer of any size in the area, all the Players and Officials of the Club were Dockers, hence the adoption of the nickname, "The Dockers", which still stands today.

The aim of the Club was to gain success at Junior level via the Essex Junior Cup, and thereby to eventually bring Senior Level Football to the Town. Tilbury soon made a name at the Junior level, with successive League championships, and an appearance in the Final of the Junior Cup in 1903/04, where they were defeated after a replay by Chelmsford Arc Works. It was to be another 5 years before they reached the Final again, in 1908/09, but this time they carried off the Trophy by defeating the County's oldest club, Saffron Walden Town.

However, at this stage, support for the club was poor. Only a couple of miles down the road, Grays Athletic were now playing in Senior ranks, and Grays Thurrock United were playing Professionally in the Southern League. Most local fans were going to these clubs, and finances for Tilbury were very tight. At the end of the 1910/11 season, the club also lost its home ground, and the Committee decided that the club should take a break from playing while it sought a new home base.

The intended short break stretched to three seasons, and was then further extended by the outbreak of the First World War, in 1914. As a result, it was not until 1919/20 that Tilbury were able to resume, this time in the South Essex League. They became Champions of that League in 1921/22, and were again a force in the County Junior ranks. The big push for advancement into Senior ranks came in 1924/25. The Title was again captured, and so was the Essex Junior Cup. As a result, in the following season, Tilbury were invited to enter the Essex Senior Cup instead, which they accepted, as they realised that some good results would really aid their cause.

In 1926/27, Tilbury reached the 3rd Round of the Cup, the first Junior side to do so, and also became the first Junior club to knock a Senior club out of the Cup, when they played superbly to defeat the mighty Walthamstow Avenue 3-2. During the Summer, they were granted Senior status by the Essex F.A.

Disaster almost struck however. Application was made to several Leagues but, one by one, they were all rejected, and it looked as though Tilbury were doomed. At the very last moment, the Kent League stepped in and offered them a place, which was eagerly accepted. With Tilbury remaining as one of only 5 Amateur clubs in a Professional competition, it was no surprise that they found it tough going on the field of play.

Off the field, however, the 4 seasons spent in the Kent League were a success. Tilbury enjoyed their time in the League and made many friends and contacts. It was an off-field matter, though, that led to them eventually leaving the competition. The League had expanded in size greatly since Tilbury joined, and added to the difficulty of continually crossing the Thames was the end of season fixture congestion.

This meant a great many midweek matches and, with no Floodlights in those days, those games had to kick off at 4.30pm, and Tilbury nearly always had to field weakened teams due to players' work commitments. At the end of the 1930/31 season, the Committee very reluctantly took the decision that the club would have to move on. They made an application to join the London League, one of those that had rejected them 4 years earlier, and this time were accepted.

Tilbury stayed in the London League until 1939, when the outbreak of the Second World War led to the disbandment of most Senior Leagues. During that spell, they were twice 4th in the table, and once reached the League Cup Final, but were mostly to be found in the bottom half of the League Table. In September 1939, all Football was forced to return to a more local basis, due to Travel restrictions and Fuel rationing. Along with 9 other local clubs, Tilbury formed the War Time South Essex Combination.

They completed the 1939/40 season in this League, but at the end of that campaign were forced to disband for the duration, when their ground was commandeered by the Army, as a site for the Anti-Aircraft Guns brought in to protect the Docks.

Tilbury resumed in the London League in 1946/47, and then on a new home ground, the present Chadfields in 1947/48, and embarked upon a four season spell of much success and National recognition. They reached 2 successive Essex Senior Cup Finals, were 3 times League Runners Up, and were desperately unlucky to be

knocked out of the F.A. Amateur Cup at the Quarter Final stage, when reduced to 9 fit men through injury. The proudest moment, though, came in the F.A. Cup. In 1949/50, Tilbury fought their way through to the 1st Round Proper, eventually going down 0-4 away to a Notts County side led by the legendary England centre forward Tommy Lawton. In the previous round replay, at home to Gorleston, a crowd of 5,500 had packed into St. Chad's Road, and that is still the official Ground Record. The proceeds from this Cup run were used, a few years later, to buy the Freehold to the 13 acre site that the Ground stands on.

In 1950/51 Tilbury moved into the Corinthian League. Apart from one League Cup Final, this was to be a barren 7 year spell, and at the end of that time they returned to the London League. The move into the Corinthian ranks had coincided with the gradual break up of the successful but ageing post-War side. The move back to the London League now coincided with the coming together of an extremely talented bunch of local young players, that brought great success in the coming seasons.

In 1957/58, Tilbury finished 3rd in the London League, but in each of the next 4 campaigns were the undisputed Champions. On 3 occasions they also captured the League Cup. Also, in 1960/61, the Essex Senior Cup was won for the first time, when Walthamstow Avenue were beaten 4-1 (aet) in the Final, just 3 weeks after they had won the Amateur Cup at Wembley.

1962/63 saw Tilbury move into the Delphian League. This was to be the Winter of the "Big Freeze", which almost totally disrupted all Sport throughout the Country for a period of almost 3 months. This was to coincide with that League's last ever season. In 1963/64, that League joined the expanded Athenian League set up, becoming the bottom Division of a 3 Division set up. The Athenian League being the Premier Division, the Corinthian League being Division One and the Delphian, Division Two.

Tilbury were inaugural Champions of Division Two, also winning the Essex Senior Cup again. 5 seasons later, they completed the climb to the Premier Division, by winning the Division One championship. 5 seasons were spent in the Athenian Premier Division before, in 1973/74, they joined the newly formed Isthmian League Division Two, which was later re-named Division One.

In 1974/75, they became the first ever winners of the Isthmian League Cup, and 12 months later were the Division One Champions. 5th place in their first Premier Division season was the best Tilbury could achieve in their 5 season stay, before being relegated back to Division One.

However, during that spell, in 1977/78, Tilbury enjoyed a remarkable run in the F.A. Cup, as they started in the Preliminary Round and fought their way right through to the 3rd Round Proper, before going down 0-4 away to Stoke City. The storm clouds were already forming though, and just 2 seasons later relegation followed, amid a financial crisis so severe that the Club almost died.

Since then, Tilbury have found things tough. They have suffered relegation on several occasions, but have mostly

bounced back fairly quickly, but the successes of previous years have never been re-captured.

In 2004/05, Tilbury finished their one season in the Southern League Division One East in rock bottom position, and were relegated to the Essex Senior League. They bounced back immediately, and earned a return to Isthmian ranks, and have managed to remain there since.

The past 2 seasons were moderately successful, with two 11th place finishes in the League, and in 2008/09 Tilbury won the Isthmian League Cup and the East Anglian Cup, these were their first Trophies in 30 years.

2010/2011, with a new Manager in Paul Vaughan, and a tie-up with South Essex College Academy, saw the Club hoping to build for the future. With an inexperienced squad, the first half of the campaign was a real struggle, and by Xmas Tilbury were in real danger of relegation. However, as he gained experience, Vaughan gradually rebuilt and reinforced his squad, and the 2nd half of the campaign saw a run of results that steered the Club to safety well before the end of the season.

2011/12 saw Tilbury greatly exceed their expectations, as Vaughan's squad stayed in and around the promotion race all season, clinching a play-off place with a game to spare. Sadly, though, it ended in extra time defeat against Needham Market. Success spread through the club as well, with the newly formed Reserves, comprised mainly of players under 21 years old, coming second in the Essex Senior Reserve League, and winning the League Cup.

Unfortunately, this level could not be maintained over the next few seasons, as Tilbury continually lost some of their better players to higher level clubs, and Vaughan was continually having to rebuild his squad. The Club's Academy proved it's worth in this respect, as Tilbury still managed to finish in a respectable position.

In October 2014, Paul Vaughan stepped down as Manager, and the Club acted quickly to appoint player Gary Henty as the new boss, and he acted quickly to appoint former Tilbury player Danny Smith as his assistant and another ex-“Docker” George Young as Coach.

Tilbury finished that season in a comfortable lower mid-table position, but showed great improvement in 2015/16, at one time being as high as 5th, on the back of a very long unbeaten run. This included good runs in both the Essex Senior Cup and F.A. Trophy, with no fewer than 3 National League sides being defeated.

However, as the season entered it’s final few weeks, their poor disciplinary record came back to bite them, with player suspensions taking their toll leading to a fall down the Table to 11th. That pattern was repeated in 2016/17. The first half of the season saw Tilbury in or just below the Play-Off places, but in the second half of the campaign a dramatic loss of form of just 3 wins from 22 games saw them plummet down as low as 17th.

The season was rescued in the final month, in which Tilbury went unbeaten, winning three and drawing two of the final five League matches, climbing back up to a respectable 12th position. On the cup front, Tilbury had a fine run through to the Semi-Final of the Essex Senior Cup, before going down narrowly to National South side East Thurrock United.

Unfortunately, Tilbury suffered a terrible run of results in October of 2017. A heavy defeat in the F.A. Trophy brought about the resignations of manager and assistant, Gary Henty & Danny Smith, plus coach George Young.

Once again, the Club turned to a former player to take over. Joe Keith returned to the club and brought in a few new signings over the next few weeks, and guided the club to a safe final position. However, this run could not be maintained, and in October of the next season, with the Club lying second from bottom, the Management Team was changed again.

Marc Harrison, a former Under 16 side Manager at Tilbury, had enjoyed a very successful spell with Basildon United, and now returned to Chadfields, bringing Liam Wallace with him as his Assistant. Making several new signings, they immediately brought about a big improvement, and took the club right up to 7th place, before a final day defeat away to the Division Champions sent them back to a final 10th place finish.

2019/20 got off to a slow start for the Club, but once they got going they rapidly climbed up the League Table. By March, Tilbury were sitting comfortably in 4th position, and seemed certain of a place in the Promotion Play-Offs. Then, the Covid 19 virus created a Pandemic that swept across the World, and caused the Isthmian and many other Leagues to be declared Null & Void, with all Football coming to a close.

2020/21 got off to an even better start, and Tilbury found themselves as the early season League Leaders. Once again, however, the Covid Pandemic raised it’s head. The situation across the Country deteriorated greatly and Lockdown once more came into force. As in the previous campaign, that signalled, eventually, the abandonment of the season, and denied Tilbury what seemed a near certain place at least in the Play-Offs. With all restrictions lifted from July 12th 2021, and with most of the squad retained plus one or two quality additions, the Club are hoping that fate does not intervene again, and that they can challenge for the honours.

2022/23 witnessed the club relegated from the Isthmian North Division.

2023/24 Tilbury FC competed in the Essex Senior League winning the title on the last day of the season bouncing straight back up to the Isthmian League Division 1 North.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Tilbury, their players, supporters and committee, we also welcome our officials, Josh Burns and his assistants Emmanuel Adeeko and Oliver Keil.

It's not easy writing these musings after the past 10 days, I thought we'd reached a new low with the 5-0 loss at home to Brentwood Town until Saturday's 7-0 loss to Gorleston. Sandwiched between the two was the 1-1 draw with Waltham Abbey.

I'm writing these notes on Sunday night and I'm unable to give an understandable view on what we saw Saturday so rather than write something that may be critical and merge into nonsense, I'll refrain from doing so. The only thing I would say is that the train journey between Great Yarmouth to Norwich was certainly the most despondent the fan base has been.

Given we have another home game on Saturday I'll try and make sense of it all for the next musings or maybe it would be best to forget all about it.

There have been a couple of fixture changes to make you aware of, firstly the traditional Boxing Day fixture has been moved to Monday 23rd December. This is at the request of Walthamstow, who we play away. Secondly, next Tuesday we were due to play Redbridge here at Coles Park but due to their participation in the Essex Senior Cup that will be rearranged for a Tuesday in December. As soon as we have a new date, we'll make it known.

As already mentioned, this Saturday we have a game against Wroxham at home, which given they are the only team below us in the league will be an important game.

Let's get behind the team tonight and come on Boro!!

Women's Team

On Sunday the team were beaten 6-3 at home to Needham Market, this Sunday they are at home to Harpenden Town in the league cup, 2pm kick off.

Under 23s

The U23s drew 2-2 with Lymore Gardens last Friday and this Friday they are away to Waltham Forest Borough who play at Parsloes Park Hub (3G), Terrace Walk, (off Parsloes Avenue), Dagenham, Essex, RM9 5PU. Kick off 7.45pm.

U18s

Last Monday the team were beaten 6-0 by Barnet U18s and last night they lost against Enfield Borough 0-2.

Travel.

Piccadilly Line to Holborn, change on to East bound Central line to Mile End. The ground is a 0.6 mile walk.

Pub.

Lord Tredegar, 50 Lichfield Road, Bow, E3 5AL

Nothing too close to the ground. I'm suggesting this place. It's a sister pub of the Salisbury in Green Lanes. It's a 5 minute walk from Mile End tube and then less than 20 minutes to the ground.

PAST ENCOUNTERS WITH TODAY'S VISITORS

Our visitors were founded in 1889 and unlike so many Clubs, including us, their history is devoid of name changes and mergers. Tilbury FC they were then and Tilbury FC they are now, Meetings between the Clubs have not been very numerous. It was not until 1927 that they were finally granted the Senior status that we, as Tufnell Park, already enjoyed. It was not until 1962/63 when Tilbury switched to the Delphian league that the Clubs first played in the same League. That was both the last season of the Delphian's independent existence and the year of the great freeze up which caused the Delphian League to abandon its normal League fixture list and institute an emergency "Grouped" competition which we – then playing under the name of Edmonton – won. Whether the teams had met in the League before its abandonment is unknown and they were not in the same "Group". By 1963/64 the Delphian League had morphed into the Athenian League Division 2 and the Clubs certainly met in that for Tilbury won it and Edmonton finished 12th from 15. Although both remained Athenian's until 1972/73 when Tilbury decamped to the Isthmian League they were never again in its same Division. Edmonton remained in the Athenian League, having finally finished their mergers and name changes and playing as Haringey Borough from 1976 onwards, until its demise in 1983/84 when they also became Isthmians for a four season spell in the last of which, 1987/88, both Borough and Tilbury were in Division 2 North. Although both Clubs subsequently spent two seasons in the Essex Senior League they were never simultaneous and no League meeting took place until we won back our Step 4 Isthmian status in 2015/16 and met Tilbury for that and the following two seasons before we were promoted via the play offs. In fact we visited "Chadfields" 6 times in that first season after the Isthmian League, tired of the call-offs caused by our then non-3G pitch, insisted on us finding an alternative venue for five of our late season home matches and it was Tilbury who kindly accommodated us and made us feel very welcome. It was not until this year's August Bank Holiday Monday that we met again as last season Tilbury were Essex Senior League Champions and promoted and we were relegated back to the Isthmian North Division. There may have been some League Cup matches of which no record can be found. There is no record of the Clubs having met in any FA competition and the results of the few League games are in the chart below. There were 7 Isthmian Development League games before that Section was discontinued and 2 pre-season friendlies at Coles Park in the summers of 2012 and 2013 and the results of those 9 games are also in the chart below.

GEORGIOS ARESTI – A huge favourite with everyone at Haringey, Georgios has been with the club since 2018. A player that drives the team forward and always gives 100% although this means he plays on the edge given his desire to tackle and win the ball back. His football journey has also seen him play in France, Scotland, Bulgaria, and South Korea. He also has 4 Ghana caps and one international goal. Since leaving the Boro he has appeared for Cheshunt, Brightlingsea Regent and became the all-time top goal scorer for New Salamis.

AKILJO BALLIU – A winger, Akiljo joins from Clapton, he has also played for Great Wakering Rovers, AC Milano’s and Redbridge Community.
