HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF WROXHAM FC

Wroxham FC were established in 1892 by GE Preston, a former captain of the Norfolk County team, and initially played on Wroxham Park. The club played friendly matches until joining the East Norfolk League and the Norwich City Junior League. In 1935 they joined the East Anglian League, before dropping down to the Norwich and District League in the 1950s, a time during which they suffered a record 24-0 defeat.

In 1963 the club became founder members of the Anglian Combination. A successful spell during the mid-1970s saw the club rise through the divisions. In 1975 the club won its first major trophy, the Norfolk Junior Cup. The following season they won Division Two, and the season after, Division One. In 1981 the club won the Knock-Out Cup, and in 1981-82 they won the Premier Division, retaining the title in 1982-83, 1983-84 and 1984-85, also winning the knock-out cup in 1983 and 1985. They did another league and cup double in 1986-87

In 1988 the club joined the newly formed Division One of the Eastern Counties League. They won the division in their first season, beating Halstead Town to the title on goal difference. After finishing twelfth in their first season in the Premier Division, the club have never finished lower than eighth. They won the title with a record 99 points in 1991-92, before beating their own record with 100 points and another title the following season, the club's centenary, in which they also won the League Cup and the Norfolk Senior Cup. In 1993-94 they won a third consecutive title. After a gap of two seasons, the club won the Premier Division again with 109 points in 1996-97, also winning the Senior Cup again. They retained the title and the Senior Cup in 1997-98, before winning the League for a third time in a row in 1998-99.

Wroxham won the Norfolk Senior Cup again in 2000, 2002, 2004, the Premier Division in 2006-07, and the Senior Cup again in 2008. In 2009-10 the club reached the final of the FA Vase but lost 6-1 to holders Whitley Bay. In 2015, in a thrilling Norfolk Senior Cup Final, they beat local rivals Dereham Town 3-2 after extra time.

Since the club was formed, Wroxham F.C. have played at several venues. The first was just off Norwich Road and subsequent grounds were at The Avenue and Keys Hill. The Avenue ground has now reverted to agricultural use, whilst the others have been built upon.

Around the time of World War II, Wroxham moved to their current ground, Trafford Park, a field close to the railway line in Skinners Lane. The club took with them an old timber pavilion that was erected and used as a primitive clubhouse. Fifteen years later this was replaced by prefabricated buildings, which were themselves flattened to make way for a new permanent clubhouse that was opened in 1994.

The current main stand, the Les King Stand, was built in 1990, replacing an earlier structure that had stood on the same site for around 10 years. The capacity at Trafford Park is 2,000 but the record attendance to date is 1,262 for the FA Vase semi-final against Whitehawk in 2010.

Wroxham finally took the opportunity to take promotion to Step 4 joining the Isthmian Division 1 North in season 2012/13 and played for 5 seasons with mixed fortunes.

After a disappointing 2016-17 season, The Yachtsmen returned to Step 5 with a new management team of Ross Potter & Tom Parke. After a promising start the team were soon out of the prestigious FA Cup failing for the first time in 22 years to get past the first hurdle. Form dipped around mid-season as the more experienced partnership of Jamie Godbold & Andy Reynolds were brought in. While we reached the semi-final of the League Cup, eventually losing to Brantham Athletic, League form remained erratic and we finished 13th in the table. This was the lowest finish we have ever had in the Eastern Counties Premier Division.

Goldbold & Reynolds shocked the club by announcing they would be leaving to join their old club Lowestoft Town. The Board acted quickly by appointing Reserve Manager Jordan Southgate assisted then by ex-Norwich City Hall of Fame player Adam Drury, to take charge. They put together a youthful squad and finished a credible 7th in 2018/19.

Behind the scenes the then Club Chairman Lee Robson did an amazing job developing a Wroxham Juniors section with teams at most age group from U7 to U18. With a strong U18's we hope to develop players who want to play the Wroxham way for the future. Wroxham saw Women's football for the first time at the Club

with an Eastern Region Premier Division team (formerly Acle United) gracing Trafford Park.

2019/20 saw the Yachtsmen finish the truncated campaign in fifth place (although the League subsequently declared all results void) having hovered around the runner-up spot for much of the season, conceding only 18 goals in 25 matches – a total bettered only by table-topping Stowmarket Town. However, the Club's major successes of the season came in the FA Vase with a run to the quarter final. Two home attendances of around 1000, against Stowmarket Town in the 5th Round and Bitton AFC in the quarter final, generated much local interest and raised the profile of the Club regionally. Prior to the cessation of all football the Yachtsmen were defeated by Dereham Town in the semi-final of the Norfolk Senior Cup.

The 2020/21 campaign was also curtailed by COVID despite us leading the table with 10 straight wins.

We were not promoted to the Isthmian League until the 2022-23 season , after finishing 2nd to Gorleston we went up as one of the top 10 Step 5 clubs on a Points Per Game analysis by The FA .

After a rocky start to the 2022-23 season, the team soon adjusted to the demands of Isthmian League football and finished in a mid-table position. After consolidating our position in Isthmian League North, we hope to press on during this season.

At the end of the 2022-23 season the then chairman, Lee Robson, informed the club that he was relocating back to Wales and James Blower took on this role at the club. Last season in spite of financial constraints, a backlog of fixtures that resulted in playing 7 games in less than two weeks, and a series of injuries that depleted the squad, the club finished in midtable in Isthmian League North.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Wroxham, their players, supporters and committee, we also welcome our officials, Oliver Kaya and his assistants Harry Demo and Alistair Potter.

If you want these musings to be depressing or you want me to join in the hysteria, then you are going to be disappointed. I'm not wanting people to leave, I want more of the first 70 minutes from Tuesday night, as that is the best we have played this season. I thought Ruben Tavares Baptista was excellent at right back and Matt Young looked back to his old self, demanding the ball and pulling the strings. Yes, Tilbury rested a number of their usual first eleven but we were clinical and a joy to watch.

I'm not blinkered, of course if you are 4-0 up and then end up drawing 4-4 its incredibly frustrating but we wanted a response after last Saturday's 7-0 and we got it. Today's game is far more important than Tuesday. There are 32 more league games and we need to focus on those and get ourselves away from the relegation zone.

One of the most difficult aspects when you are struggling is that you need some positivity around the club but when in a situation like this it doesn't happen and human nature reverts us to being negative. The pain and anguish on the faces of all those that love this club is heartbreaking at the moment. Each game we want players to perform, to give their all and do their best, you aren't going to play well, without burden, if there's no positive vibes or belief. 32 league games left there's no need to panic. There's no need to have our chins on the floor. The way I see it we have two options mope around and not act surprised when we face a second relegation or roll our sleeves up and work together to get out of predicament. Yes, something has to change, of course it does, we have to start winning league games.

Right, back to the secretarial stuff. It wouldn't be a musings without news of a fixture change. The game against Redbridge which was due to be played this coming Tuesday has been moved to Tuesday 3rd December. Also, in case you missed it from Tuesday's programme, the game against Walthamstow on Boxing Day has been moved to Monday 23rd December with a 7.45pm kick off. With us only having the London Senior Cup left in terms of cup competitions, the number of games needing to be rearranged will reduce from here on in this season, so those nice posters that have been produced and distributed to local businesses will be accurate. If anyone reading this would like to promote the club on a notice board or shop window, let us know.

Finally, I'd like to welcome back the HBFC Sussex gang to today's game, a key member of the group is Dave and his daughter who has been very seriously ill, so the group haven't been able to get to a game this season and the end part of last, fortunately Rebecca is making good progress and we send her much love and wish her continued improvement, Rebecca was at the Horsham away game last season and very much enjoyed joining in with the singing. It's great that Dave and the rest of the group are able to return today, I'm certainly looking forward to spending the afternoon in their company.

Today is a big game, let's get behind the team and come on Boro.

PAST ENCOUNTERS WITH TODAY'S VISITORS

Although "The Yachtsmen" are 25 years older than us having been formed in 1882 it was not until the 2012/13 season that they first played in a League which was not restricted to East Anglian clubs when, after winning the Eastern Counties League, they were promoted into the Isthmian League Division 1 North. We followed them three years later as Essex Senior League Champions and thus meetings commenced in season 2015/16. Today is the 6th encounter and the results of the first 5 are in the Chart below. But games with "The Yachtswomen" have been more numerous as from season 2014/15 they became members of the Premier Division of the Eastern Region Womens League of which our Womens team had been members since 2002. 17 meetings have taken place with the first 8 being with Acle United, who usually played in that nearby village on the ground of the Anglian Combination Club, before they changed their name and moved to Wroxham's "Trafford Park" Isthmian League stadium. We have already visited Trafford Park this season for an FA Trophy game and will do so again for a League match on 8th March. The Womens teams have not yet met this season.

ASK any manager or coach, proven goalscorers are so desperately hard to come by these days, so, to see not one, but two, Non-League striker legends hang up their scoring boots, it's only right their achievements are celebrated.

Both Sam Higgins and Dave Tarpey have bowed out of the game these last few weeks with their legendary status intact. Stacks of goals wherever they've played and trophies gleaming in the cabinet back home/ When Sam Higgins first stepped into Non-League football as a fresh-faced 17-year-old, little did he know he would forge a career to bring joy to so many.

After nine years at the Millwall academy and a brief stint at Southend United, Higgins dipped his toes in Non-League waters and the rest was history.

In 16 years, Higgins established himself as one the part-time game's most decorated figures, scoring a whopping 403 career goals and picking up an unrivalled haul of collective and individual accolades along the way.

Undoubtedly, his highlight was an iconic first spell at East Thurrock United, which yielded 275 goals and no fewer than four Golden Boots, at Steps 2, 3 and 4. He also won the Isthmian Premier and North division titles and steered the Rocks to a first-ever Essex Senior Cup success.

At Hornchurch, he lifted the FA Trophy at Wembley and Isthmian Premier title as well as a Player of the Year and Golden Boot double.

With further success came at Chelmsford City (two spells), Bromley, Canvey Island, it's no wonder Higgins made such an impact in and around his native Essex

But, last week, after picking up a heel injury while playing for Hashtag United, the 35-year-old finally called time on his glittering career, to a social media fanfare from past clubs, managers, teammates and fans.

From his first loan spell at Fisher Athletic to his last hurrah at Hashtag United, Higgins was highly regarded by all and will go down as one of Non-League's all-time greats.

"It's been a very long time and, at some point, it had to come to an end, unfortunately," said Higgins, before admitting he has no burning desire to return to the game in a coaching capacity.

"It was a tough decision, but it felt like the right one. I've had quite a few injuries over the last few seasons and a couple of weeks back I had a heel injury which is probably going to take a few months to recover from.

"Having a lot of injuries can be mentally draining so to be able to come out of it with a sense of achievement is something to be proud of.

"The thing I will miss most about the game is the people. I've met friends for life; managers, players and the people working within the game. Those are the best relationships, ones to last a lifetime."

Tarpey, meanwhile, has a similar tale to tell.

A hat-trick of promotions, a deal to become a professional footballer and a record-breaking goalscoring season, the 35-year-old too boasts a CV that many aspiring footballers could only dream of.

Tarpey announced his retirement last week after rupturing his ACL for a second time, while playing for Marlow against Biggleswade Town in the FA Trophy.

Starting at Basingstoke Town and then Hampton & Richmond, the skilful forward also enjoyed a spell at Farnborough before taking his game to a whole new level at Maidenhead United, scoring 44 goals in their National League South title winning season – still a league record.

That earned him a two-year pro deal at National League high-fliers Barnet but Tarpey suffered a serious knee injury on his home debut, prompting a lengthy period of rehabilitation.

A stint at Woking saw him rediscover his form before Bracknell Town and Leatherhead led him to a promotion-winning season at Marlow under manager Mark Bartley before his latest injury.

"I always said over the last few years, as long as I can stay injury free I'll keep playing," Tarpey told the Maidenhead Advertiser.

"I've got three children and a fiancé at home who have had to put up with me travelling up and down the country for the last 13 years.

"I got three promotions, won numerous county cups and I can retire and say for the level I've played, I feel I've had a great career with what I've done.

"Some people don't get promoted at all in their career, to say I've won three is a great achievement."
