HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF WALTHAM ABBEY FC

Waltham Abbey Youth Club, based in Waltham Abbey, first played football at "Capershotts" during the Second World War and in later years the club became known as firstly Waltham Abbey, then **Abbey Sports**. Both clubs gained numerous honours in the Northern Suburban League.

The club was founded in 1944 with a mix of players from Waltham Abbey Youth Club and former juniors from Tottenham Hotspur under the leadership of the trainer and manager Wally Hickman. The secretary was Mo (Maurice) Ward. The President was Capt. Larkin.

In their early years they played to a high standard and reached the final of the Herts Junior Cup in three years out of four but lost on each occasion – including a loss to Redbourn Rovers of 4–5 after they had been leading 4–1.

Some of the leading players in the early years included left winger Dave Cook who was killed in a road crash, centre-half Robbo Robinson and inside forward Frank Blower. Frank later became a dedicated treasurer of the club with Ray Buck as a similarly dedicated club secretary.

Waltham Abbey United emerged in the late sixties and a new clubhouse was built. In 1974 the club amalgamated with the successful Beechfield Sports and joined the Metropolitan League, which later became the London Spartan League.

In 1976 the club won the Essex Junior Cup beating Maldon St Mary's 1–0 at Grays Athletics ground. Alfie Hall was the goalscorer. Later that summer the club dropped the Beechfield Sports tag on the advice of The FA. Two years later the club reached the final of the Essex Intermediate Cup (losing 1–2 to Dagenham Reserves at Epping Town FC) and won the league's Division One title, and, having gained Senior Status, were promoted. In their first season they won the title without losing a game and were again promoted this time to the Premier Division where they remained until season 2000–01.

In 1990–91 the club were inaugural finalists in the Roy Bailey Memorial Trophy, a competition for local teams including Cheshunt, Ware, and Hertford Town.

It was won for the first time in 1994–95 when they beat Hoddesdon Town. In both 1996–97 and 2005 (in the final held over from the previous season) they beat St Margaretsbury.

In 1998–99 they won the London Senior Cup with a fine 3–2 win over Bedfont at Dulwich Hamlet's ground, Dean Green securing a hat trick to win the cup. They also secured the Spartan South Midlands Challenge Trophy beating Holmer Green 3–0 over two legs.

Recent seasons have seen a lot of changes on and off the pitch with floodlights being installed in 1990 and the ground levelled. A great amount of work has been done around the clubhouse and a 200-seater stand built. A number of seats were purchased from Maine Road and these were installed during the summer of 2005 as the club strived to improve facilities on and off the field and move up the non-league pyramid.

Season 2001–02 was spent in the Essex & Herts Border Combination to allow them to move across the pyramid. They were elected to the Essex Senior League for season 2002–03. In 2004–05, in addition to winning both the League Cup and the Gordon Brasted Memorial Trophy they finished in their highest position of 2nd.

On 2 May 2009, the Abbott's capped off a successful 2008–09 season by beating Concord Rangers 5–4 on penalties, after a 1–1 draw, to win the Isthmian League Division 1 North Play-offs. They played in the Isthmian League Premier Division for the first time in their history in 2009–10. However, despite winning the last two games of their season, they finished 21st and were relegated for the first time in the club's history. After 7 seasons in North Division a league restructure saw the club have been moved into the newly formed Isthmian League South Central League.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Waltham Abbey, their players, supporters and committee, we also welcome our officials, Callum Peter and his assistants Jake Martin and Adel Abdel Rasoul.

Tuesday night where do we start. I know, we played well for 70 minutes, we scored two really good goals, we scored direct from a free kick, so at a stretch you could say 3 really good goals! Manny Yeboah had a great game and for a period of time we shocked the league leaders. So, plenty of positives there.

Whatever you think about the loss. Bury Town are a good side and will either go straight up by being promoted or they will be in the play-offs. The way they used the whole width of the pitch and appearing to always have an outlet on the wing was impressive. There was certainly no shame in losing to them.

What Boro need to get over is the psychological factor, it's become a fear, of being in front and seeing close games out, tell me something new you will be thinking. For two seasons now this has been our Achilles heel. To be fair it's not just the players, it's all of us. You look round Coles Park and we are biting our nails or crossing our fingers or watching the game through our fingers, and I'll be honest I'm up there with the worst of us. It's harrowing to watch so I can't begin to imagine what it must be like to play in. I don't know what the answer is, I have thought about everyone in the stand going down and standing round the pitch so we have a defiant look about us, we are all in this closeness together, singing isn't the answer we do that naturally. If we have any budding Steve Peters reading this and you have some ideas, we are all ears. I thought about not writing the above but it's happened so many times it is not as if I'm tempting fate by stating the obvious. Following today's game, we have another home game this coming Tuesday when we face Maldon & Tiptree, kick off is 7:45pm, at the time of writing these notes they sit below us in the table, so another important game.

We have had a couple of enquiries for players that haven't been featuring recently, Oliwier Fusiek who came through the U18s, U23s and played for the first team towards the end of last season is joining Leverstock Green, Oliwier's opportunities this season were limited by injury but he has been a firm fixture around the club and we wish him well. Goalkeeper Remy Mitchell is joining Aylesbury United, Remy featured in the league cup game against Tilbury.

Let's hope we see a good game today but importantly we see The Boro get the 3 points. Come on Boro!!

Women's Team

On Sunday the team were defeated 4 goals to 3 away at Dussindale & Hellesdon Rovers. Tomorrow, they are away to Luton Town, who play in the Stadium of Barton Rovers, in the league.

Under 23s

Last Saturday saw the U23s draw 2-2 with Kulture, last night they were at home to FC Petrocub winning 7-2.

U18s

On Tuesday night the team recorded a 4-2 victory away at Ickenham Youth and this coming Tuesday have an away game at West Essex.

PAST ENCOUNTERS WITH TODAY'S VISITORS

Although our visitors are 80 years old, having been formed in 1944 from Waltham Abbey Youth Club members together with some former Tottenham Hotspur Juniors and attained Senior status in 1978 when they were admitted to the Spartan League, it was not until season 1989/90 that we first met when we too became Spartans and we then played them for every season thereafter up to and including 1999/2000 - the last three seasons being in the Spartan South Midlands League following the merger of the two Leagues. That League was not "The Abbots" natural home as they were the sole Essex Club in it by the end of that season and, as the FA did not favour them with a sideways move, although they commenced their 2000/01 fixtures they withdrew mid-season and then had to drop down to an Intermediate League for 2001/02. Unsurprisingly they won the London Intermediate League and their Essex Senior hopes were duly fulfilled but they were only in it for four seasons as they won promotion to the Isthmian League for season 2006/07 and remained there until 2021 at which point the FA shunted them over to the Southern League for 3 seasons and then back to the Isthmian for this, the current season. After they left the Spartan South Midlands League there were no more League meetings until 2015/16. In between there were a number of Cup and Friendly matches and these too are listed in the chart below as are four meetings at Youth level. So, as regards First Team Competitive matches only, its 34 played, 12 won by Borough, 4 drawn and 18 won by Abbey, 45 goals scored by Borough and 48 by Abbey.

HALLOWE'EN is over and the bonfires have put out.

Aside from being Santa's final call, that can only mean one thing...the Isuzu FA Trophy and FA Vase are now in full swing with a dream date at Wembley becoming ever more vivid.

Last week, the Vase was whittled down to the last 64, this week it's the turn of the Trophy to enter its final qualification round before the big boys from the National League enter the fray in the third round.

This afternoon, the 48 clubs from National League North and South join the 32 Trident League clubs that have battled their way through to the Trophy second round.

Eight Step 4 clubs remain with Coleshill Town and Hadley FC both drawn at home (against Biggleswade Town and AFC Telford United respectively) as two of 14 clubs looking to reach the last 64 for the first time ever.

Southern League Division One South leaders Yate Town also have a home game, against Step 2 side Hampton & Richmond, whilst all five other Step 4 clubs are drawn away from home. Brentwood Town, Sporting Khalsa and Felixstowe & Walton United all also trip to Step 2 opposition in Hereford, Oxford City and Boreham Wood as they bid to reach the last 64 for the first time.

Sittingbourne's visit of Winchester City in one of three ties where the winner will either equal or set their best run. Stockton Town v Scarborough Athletic is the only one of the three to guarantee a club reaches a first-ever last 64 berth.

Three former winners are involved in this second round. Brackley Town (2017-18) and Hornchurch (2020-21) both have away trips to Hashtag United and Enfield Town respectively, whilst Kidderminster Harriers (1986-87) host Halesowen Town in a crunch West Midlands derby,

National League North high-flyers Curzon Ashton will have revenge on their minds when they host runaway Northern Premier League leaders Macclesfield at the Tameside Stadium following the Silkmen's 2-0 win last season on route to the semi-finals.

Weston-super-Mare, however, will be looking to end a 42-year wait to avenge a 1-0 replay loss to Weymouth. Of the last 64 in the FA Vase, 11 still remain from Step 6 with three of those guaranteed a place in the fourth round, just four steps from the final under the arch.

Abbey Hulton United were rewarded for their fine 2-0 win at Step 5 Atherstone Town with a home tie against Droitwich Spa, who also recorded an away win over higher-level opposition, beating Ashby Ivanhoe 3-1.

Atherton Laburnum Rovers toppled Step 5 Abbey Hey 4-1 away and now host Ashton Town, while Vase debutants Sutton United (Birmingham), 2-0 winners at Midland Premier side Tividale, travel to fellow Step 6 club Winsford United, who were 6-1 winners over Darwen FC.

Three other Step 6 clubs produced shock victories over higher-level opposition last weekend. Okehampton Argyle beat Thornbury Town 2-0 away, Windsor & Eton walloped Hilltop 5-0 at home, and Clay Cross Town, the competition's top scorers with 19 goals, knocked out Stourport Swifts 4-3 away to reach the third round for the first time in 15 years.

Debutants Wombwell Town and Wells City are the other Step 6 clubs left in, alongside only one former winner, in North Shields (2014-15) and two runners-up (Epsom & Ewell 1974-75) and Tunbridge Wells (2012-13).

Defending champions Romford lost 3-2 to Essex Senior League rivals Takeley in their first Vase defence, while Newport Pagnell Town, back-to-back finalists in 2021-22 and 2022-23, were also knocked out, going down

2-1 at home to Dereham Town,

Indeed, it was another weekend of thrills, spills and big scorelines. London Lions avenged their defeat by Stanway Rovers last year with a 10-2 thumping – only the third time in Vase history that score had been produced.

And Crawley Down Gatwick were also flying high, recording their biggest ever Vase win with an 8-0 thumping of Southern Combination rivals Peacehaven & Telscombe.

EBENEZER ADDO KUFOUR – Ebenezer played over 30 games for us last season mainly occupying the right back position he is versatile and was asked to perform other roles across the defence.

GEORGIOS ARESTI – A huge favourite with everyone at Haringey, Georgios has been with the club since 2018. A player that drives the team forward and always gives 100% although this means he plays on the edge given his desire to tackle and win the ball back. His career has seen him play for AEK Athens and numerous teams in Cyprus, he has also won international caps for Cyprus.

DEREK ASAMOAH – Derek returns to the Boro following a previous spell during season 2017-2018. Known as Raks, his first appearance was in the season 2010/2011 and has been a part of both the Essex Senior League winning team and the Isthmian North play off winning team. Club captain, Raks is currently recovering from injury and given his importance to the team, his injury played a key factor in the team suffering relegation last season.
