HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF REDBRIDGE FC

A Brief History 1934 – 2024

FORMATION, MERGERS AND NAMES

The Club's roots lie in the car industry which has long been a staple of the economy in this corner of East London and Essex, and give us several 'sister' clubs both locally and nationally. Previously known as Ford United F.C. which dated from a 1958 or '59 merger between two older clubs, Ford Sports F.C. (Dagenham) and Briggs Sports F.C., both of which were founded in 1934. Up until WW2, the latter actually began life as Briggs Motor Bodies F.C. and entered a team in the London League under that name between 1935 and '51. The Ford United Club was in serious problems at the start of 1995/6 season, however, as sponsorship was lost and disbanding seemed a real danger, until Vice-Chairman George Adams enlisted Sky Sports as sponsors, rescuing the Club. Nicknamed 'The Motormen', they play in Blue Shirts and White Shorts. The name of Ford United was to end forever when the club was changed at the start of the 2004/05 season to Redbridge Football Club in a bid to gain more local support and become firmly established as the highest placed football club in the London Borough of Redbridge.

GROUND

Briggs Sports played at the Victoria Road ground, now famous as home of Dagenham & Redbridge. Ford United's old ground was the Ford Sports & Social Club in Rush Green. Romford F.C. shared the ground in 1995/6, providing valuable funds at a difficult time. Sadly, this pleasant ground was ruled unacceptable to the Isthmian League in summer of 2000 since its owners, Ford Motor Company, would grant only a yearly lease, so some 40 years of history there came to an end. A new home was leased at Oakside Stadium the home of Barkingside F.C. who became tenants at the ground until they moved out at the end of the 2013/14 season.

LEAGUES

Briggs Motor Bodies won the London League in 1937 & '39, actually pipping Ford Sports to the title in '37 - the first of two successive runners-up spots. The London League Park Royal Cup (for lower division clubs) was won by Briggs Sports in '37 and their reserves in '50. Ford Sports' membership of this league ran from 1935 to '53, winning Div 2 East in 1939. Briggs played in the Spartan League from 1945, winning East Div 1 in 1947, and the League Cup in '57, '58, and '59. They enjoyed unparalleled success in the Premier Division, as their positions from '49/50 to 58/59 read; 1st,2nd,1st,2nd,2nd,2nd,1st,1st,1st,1st: following the merger on the back of 4 titles, the next Spartan winners were Staines Town. Ford Sports also played in the Spartan League during 1938, 1945 and 1952-58.

The newly merged club joined the new Aetolian League in 1959/60, and became the first Champions, a feat they repeated in 1962: in between, they were runners-up in '61 when they also won the League Cup. Fortunes of both the club and the League began to wane in the 60's, whereupon we switched to the Greater London League in 1964. This was won in 1971, a year after being runners-up and capturing the League Cup then between 71-74 we played in the Metropolitan London League.

In 1974 we moved to the Essex Senior League, and here we were champions in 1992, runners-up in '94, and remained until earning promotion to the Isthmian (Ryman) League in 1997, on the back of another Essex Senior League title (and League Cup final appearance) and a much improved ground. We finished in 5th spot in our first season, and with Jeff Wood contributing a league's best 35 goals, Ford United won Division 3 in 1999, scoring 110 goals in 38 games in the process - also the best in the League. We continued our rapid rise in 2000, when we romped to promotion. Wood bagging a remarkable 42 goals as we finished 3rd in Division 2.

We continued our rapid rise in 2000, when we romped to promotion. Wood bagging a remarkable 42 goals as we finished 3rd in Division 2. Another two successive promotions followed firstly with a 3rd place finish in season 2000/01 and then by becoming champions of the Ryman Division 1 in 2001/02. This coincided with a change of ground to the Oakside Stadium in Barkingside which was quickly updated to an A-grading so being able to host Ryman League football. Ryman Premier football was finally achieved but started with the

departure of manager Denis Elliott and in came Craig Edwards whose first season in charge saw a 15th place finish as well as London Senior Cup runners up. The following season saw the club finish in 13th position which meant that we would qualify to enter the Nationwide Conference South in season 2004-05.

Ford United started season 2004-05 in the newly formed Nationwide Conference South under the new name of Redbridge FC in an attempt to gain more support and become recognised as the highest placed football side in the London Borough of Redbridge. Unfortunately this proved to be a bridge too far for the club both on and off the pitch and we suffered relegation and a bottom place finish whilst also losing manager Craig Edwards halfway through the season as he was to be replaced with Ex Ford United and Fulham goalkeeper Jim Stannard. One success to come out of this season was the excellent Redbridge FC Under 18's side who as well as winning the Eastern Junior Alliance League and Cup also captured the Essex Pelly Cup and made it through to the 3rd round of the FA Youth Cup only to be beaten by previous winners Middlesbrough. The following season saw the club back in the Ryman Premier League but a second successive relegation was soon to follow which saw the club playing in the newly formed Ryman Division One North.

A change in management halfway through the season saw Ilford manager and ex Ford United player Allan Fenn join the club but was unable to stop the side from a bottom place finish. The following season was disappointing with a 16th place finish and resulted in Fenn being replaced in the summer break by ex Wimbledon and Bolton striker Dean Holdsworth. Dean led us to a 3rd place finish and a play off final only to see us lose out in a dramatic penalty shoot-out against Canvey Island.

Unfortunately, after only one season Dean moved on to become the new manager of Conference South side Newport County and this resulted in most of the squad breaking up. Ex Ford United player Jay Devereux took over and his first task was to rebuild the squad from scratch after most of the team moved on during the summer break. His first season finished with a respectable 9th place finish after a season which was hampered with floodlight problems at the Oakside and after the side got off to a slow start the next campaign and without a financial budget, he decided it best to leave the club.

First team coach Dave Ross took over as manager for the remainder of the season. Poor winter weather affected the side at the start of 2010 and the team initially struggled with a fixture pile up, but Ross managed to keep the side in the league avoiding relegation.

The following season Kris Taylor joined up with Ross to form a dual management team however after a bad start to the season which saw the club sitting bottom of the league Ross was asked to step down. Kris Taylor was confirmed as first team manager after talks broke down with Kevin Durrant who looked all set to join the club. Taylor's tenure ended in Dec 2010 when his work commitments affected the amount of time demanded to run a club of this stature meant he was unable to give 100% to the management of the team. First team coach Jody Brown was appointed manager on a short-term basis just before Christmas 2010 and he was able to bring some stability and stave off relegation with three games of the season remaining.

Chairman Dan Holloway moved quickly at the end of the season to make the changes that will bring the structure and stability needed at a football club at this level. Terry Spillane was appointed first team manager after a highly successful spell with Stansted with Jody Brown reverting to a coaching role.

The team ended the season well finishing 6th place just 4 points off the play off positions. However, soon after the season finished, Chairman Dan Holloway resigned from the club due to personal reasons and, with the playing budget due to be cut, manager Terry Spillane felt it was not possible to take the team any further and he and his footballing staff left to join fellow Ryman One North side Maldon & Tiptree.

A new joint management team made up of Del Robinson and ex Gravesend and Northfleet legend Steve Portway took charge for the 2012/13 season. After a poor start to the season, the team improved in the second half of the season and fought off survival on the last day to finish 20th and secure another season at Ryman Level. During preseason Jim Chapman stepped down as chairman stepping aside for Imran Merchant who joined from London Bari. He brought in Ricky Eaton who joint up with the returning Dave Ross to form a dual management team.

After just one season Imran stepped down as Chairman due to personal reasons and ex Chairman Jim Chapman took control in the boardroom once again. The management team of Ricky and Dave stayed on becoming directors of the club and started to make improvements around the ground.

On the pitch however with no playing budget the team found the going tough and ended the season in 23rd

place but were able to escape relegation when handed a reprieve due to Southern League side Clevedon Town being demoted over a ground grading rule.

The 2015/16 season was one of disappointment as the club struggled on the pitch winning just 8 league matches all season seeing them finish in bottom position suffering relegation back to the Essex Senior League for the first time in 19 years. Jimmy Chapman stepped down as Chairman handing over to Ricky Eaton who combined his role alongside being joint 1st team manager with newly appointed Joey May and wasted no time in making much needed improvements around the ground such as changing rooms/refreshment bar and the club house.

In Jan 2019 Ricky Eaton stepped down from his role as manager to solely concentrate on his chairman duties and wasted no time in bringing across May & Baker manager Micky Wetherall well known to the football club and bringing in an entirely new side, he managed to lead the team to a 12th place finish.

The following season Redbridge was sitting in 8th position when the season was declared null and void due to the Covid-19 pandemic. The 2020/21 season eventually started in September however Micky decided to step down due to personal reasons and was soon replaced by ex Aveley Reserves manager George Christou however his first season was also cut short as the season was curtailed early due to the ongoing pandemic. After two seasons of disruption due to the pandemic the 2021/22 was fully completed and George led his side to a 3rd place finish however went one better the following season finishing runners up resulting in an Inter League Play Off Final against Step Four Side Haywards Heath Town. A 3-2 victory secured promotion back to the Isthmian North Division after 7 years away in what was an unforgettable season setting new club records along the way with 10 consecutive wins and 12 consecutive clean sheets.

A first season back at Step Four saw a mid-table finish however the superb Essex Senior Cup victory along with a strong run in the FA Trophy saw us crowned Isthmian North team of the season 2023/24.

NATIONAL CUPS:

Ford Sports(Dagenham) first played in the FA CUP in 1934/5 losing at Romford. We reached the 1st Round for the first time in 1998/9 when we were defeated 3-0 by Preston North End and then again in season 2003/04 when we faced Port Vale. A deserved 2-2 draw at Vale Park followed with us only narrowly losing 2-1 in extra time to an own goal at the Oakside Stadium in front of nearly 1500 fans. On 29 October 2011, Redbridge reached the First Round Proper of the FA Cup for the first time since 2003 after beating Conference National side Ebbsfleet United 2-0. In the First Round they drew 0-0 with Oxford City and won the replay 2-1 after extra time, thanks to goals by Nathan Gordon and Ben Bradbury. They played League Two leaders Crawley Town in the Second Round, where they were beaten 5-0, against a side four divisions and 106 places above Redbridge in the league pyramid.

In 1998/99 we also reached the FA Vase 5th Round (last 16), going down to eventual finalists Bedlington Terriers. Briggs Sports were a very successful cup team, and even reached an FA Amateur Cup Semi-final (1953/4) played in front of 58,000 people at St. James' Park, Newcastle, in which they were beaten 5-1 by Bishop Auckland. On the way, they disposed of Bournemouth Gasworks, St Albans, Bromley, and Pegasus. Ford Sports reached the Amateur Cup 1st Round in 1939 & '46; Briggs Sports made Round 4 in 1959, round 3 in '57, Round 2 in '49, '56 and '58, and Round 1 in '53. In 1959/60, Ford United beat Woking and Salts before losing a 3rd Round replay to Hayes; they also made Round 2 in '62 (beat Walthamstow, lost to Wimbledon), and Round 1 in '61, '63, '64, and '65, after which Dagenham usurped their erstwhile pre-eminence in the area.

COUNTY CUPS:

Briggs were winners of the Essex Senior Cup in 1940 (wartime cup), 1950, '51 & '52. They also lifted the prestigious London Senior Cup in 1956 and '57. Ford Sport's won the East Anglian Cup in 1941. Ford United's only Essex Senior Cup final appearance to date was in 1964, losing 4-3 on aggregate to Tilbury. We did however win the Essex Senior Trophy in 1991 and '92, defeating Braintree Town and East Thurrock United respectively, and the revamped London Senior Cup was captured v Hanwell Town in 1994, and v Southall in 1998. Both of these latter trophies were regained in 2001. In 1996, we were semi-finalists in both the Essex Senior and East Anglian Cups. Redbridge FC won the Essex Senior Cup in 2024 for the first ever time beating league two side Colchester United in a thrilling penalty shoot-out at Dagenham & Redbridge.

OTHER CUPS:

Ford United won the Essex Elizabethan Cup twice in their first 4 years of existence, and again in 1971. We lost to Billericay on penalties in the 1992 Essex Thameside Trophy final. The club also picked up Essex Sportsmanship Awards in 1978, '80, & '81. Redbridge won the inaugural Len Cordell Memorial Cup in 2020/21 beating Holland FC 2-1 after extra time, a victory very fitting as the completion was named after ex Redbridge FC match day secretary and the ever popular figure of Len Cordell. In 2021/22 Redbridge became the first winners of the Peter Butcher Memorial Cup beating Stanway Rovers 2-0, they went onto retain the trophy the following season beating FC Clacton.

OTHER TEAMS:

Honours: Briggs Sports Reserves: London League Div 1 runners-up 1950, '51. Essex Intermediate Cup winners 1953, '54, London Intermediate Cup Final 1955. Ford United Reserves: Essex Intermediate Cup finalists 1960; Essex & Herts Border Combination League champions & League Cup winners 1995; Harry Fisher Memorial Trophy winners 1994, finalists 1996; Ford United 'A' Essex Junior Cup finalists 1962. Ford United IV reserves were disbanded during Romford's ground share spell, but they are now back in the Essex & Herts Border Combination. A new Youth side was started by Dennis Elliott in the late 1990's, producing many senior players.

NOTABLE PEOPLE:

Probably the most successful ex Ford United player was Peter Brabrook; an outside right who joined Chelsea in 1954 and went on to appear 488 times in the League with The Blues, West Ham and Orient. He also played 3 times for England (including a World Cup-tie v USSR), represented England U23, Youth, and the League, and won the FA Cup and Cup Winners Cup with West Ham. Playing in the 1954 Amateur Cup Semi was Les Allen, then 16, who went on to score 112 goals in 291 League games for Chelsea, Spurs and QPR, as well as representing England U23 and the Football League XI. Mick Flannagan went on to play for QPR, Charlton, Crystal Palace and Spurs; and others who progressed to the pro' ranks included Jimmy Stannard (Fulham, Southend, Millwall, Gillingham goalkeeper), Nicky Hammond (Arsenal, Swindon), Laurie Abrahams (Charlton), Doug Barton (Reading, Newport), John Dunn (goalkeeper at Chelsea, Torquay, Aston Villa and Charlton) and more recently Glenn Poole who recently played at Brentford. The England Amateur and Great Britain Olympic sides of the '50s and '60s contained Derek Shewring, Ernie Childs, George Bunce, and Alf Noble (later at Colchester). Numerous players have gained Essex representative caps/badges: Seniors: Ernie Childs, JL Morgan, HW Jarvis, AGH Smith, RL Bumpstead, R Hammond, HW Green, C Guiver (all Briggs Sports), D Harris (Ford United) Juniors: SE Clark (Ford Sports), E Smith (Briggs Sports). Roger Bond holds the appearance record. Jimmy Chapman although now retired from the game managed to combine his role of goalkeeper and Chairman for many seasons.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Redbridge, their players, supporters and committee, we also welcome our officials, Peter Conn and his assistants Grant Steele and Ayden Gillespie.

I've said in past musings that the one thing I feel the team needs is some positivity around them, not sure what form that can take but it's certainly not from recent results. It's difficult to provide much positivity from these musings after the weekend on the field the club has just had. At Grays we did not really lay a glove on them and despite having a lot of the ball we were not able to create much and threaten their goal. We offered more of a threat when Zayshaun Asamoah and Louis Maffia came on but by that stage Grays were counting down the clock. Starting tonight we have games against Redbridge, Felixstowe & Walton United, Witham Town, Newmarket Town, Walthamstow and Basildon United in December. By the time New Year's Day is upon us we will have played 23 league games with 19 left, December is going to be a crucial month. On Sunday the Women's team were knocked out of the Eastern Region Women's League Cup by Wroxham, it's been a tough few weeks for the team, they have had suspensions and injuries, and have been fielding very young sides, many of the players graduating from the Haringey girl's academy. Whilst things on the pitch have not been great recently the team carry on doing great things off the pitch. Between now and the 15th December the club are supporting the Magpie Project, who provide support for homeless women, asylum seekers and children living in temporary accommodation, any donations you can make would be greatly received, there is a list of items required at <https://www.haringeyboroughfc.net/wp-content/uploads/2024/12/Magpie.jpg>

Lastly in terms of summarising the weekend and if I am being honest the most disappointing from an admin perspective, was that the U23s lost in the Fenton Cup to Chadwell Heath Spartans, John and I had put a great deal of effort to get the game arranged given we were told it had to be played on a Saturday, we had talked through various opinions including playing the game at Enfield playing fields. As it was our ground sharers NW London came up trumps and agreed to move their game to a Friday night to free up the pitch on Saturday, which saved major headaches. Then we found out an assistant referee had pulled out of the game and time was spent ringing and emailing round contacts and the league, eventually getting an assistant Saturday morning. So, to have lost the game was particularly frustrating. The one plus was the return from injury of Bobson Bawling. Bobson was registered several months ago but has been injured since, so a welcome return to the man that bombs up and down, home and away! I don't know about London Calling, Haringey are calling.

There, that was the weekend on the pitch, not particularly enjoyable reading but at least providing an element of therapy to get to write it all down from my perspective. A new week, a new outlook.

I appreciate we did have a game against Barking in the London Senior Cup last Tuesday but other than to say we lost 3-0 I don't believe there is anything I can say that would provide any comfort or provide that positivity needed.

Enjoy tonight's game, get behind the team and come on Boro!

Women's Team

Next Sunday the team are at home to Royston Town, I've covered Sunday's game above.

Under 23s

Following their Fenton Cup exit on Saturday the team are in cup action again in the Senior Division Cup tomorrow night against Woodford Town Reserves, the venue for the game is Ashton Playing Fields, 598 Chigwell Road, Woodford Green, IG8 8AA.

On Saturday the team are away to AS Rapid Londra.

U18s

The team lost 5-0 to Cockfosters last Monday. They have an away game against Edgware and Kingsbury on Thursday night, 5th December.

MATCH REPORTS

Haringey Borough 1-2 Maldon and Tiptree - Tuesday November 19th 2024

On a bitterly cold Tuesday evening at Coles Park, Haringey Borough suffered a narrow 2-1 defeat to Maldon & Tiptree, with the winning goal heartbreakingly scored in the dying seconds of the match.

Manager Tom Loizou made three changes from Saturday's draw against Waltham Abbey. New goalkeeper Jack West Astuti replaced Michael Acquah between the sticks, Georgios Aresti came in for Tosin Olufemi, and loan signing Uko Oji led the line in place of Joe Waight, who was sidelined with a minor concussion.

And it was Uko who had the first big chance of the game for Haringey just 11 minutes in. Breaking free of the Maldon & Tiptree defence, he delicately chipped the ball over the onrushing goalkeeper, but his effort just lacked the power needed to cross the line as the opposition's right back raced back to make a crucial goal-line clearance and deny Uko his first goal for the club.

The visitors responded with a pair of threatening attacks from their lively left-back, Louie Arrowsmith. His pinpoint cross found the Maldon & Tiptree captain, Matthew Pryce, unmarked from about six yards out, but his header sailed over the bar. Moments later, Arrowsmith delivered a dangerous low ball across the box, but their No. 10 fluffed his lines and failed to make proper contact with his strike.

Despite the opponents' pressure, it was Boro who took the lead in the 24th minute. Cutting in from the left, Aresti danced past two defenders before being brought down on the edge of the box. Dusting himself off, he powered the resulting free-kick through the Maldon & Tiptree wall and into the bottom corner to put Borough 1-0 up. Solid defensive work, particularly from Taiwo-Pratt, ensured Haringey carried their lead into the break.

Unfortunately, this lead wouldn't last for long as Maldon & Tiptree equalized 15 minutes after the restart. A poorly cleared in-swinging corner fell to Darren Phillips, who rifled a shot into the top-right corner of the net, leaving Astuti with no chance.

Haringey pushed forward in search of a second goal and came close on several occasions. Derek Asamoah headed against the outside of the post from an Aresti cross, while his low snapshot was expertly pushed wide by the Maldon goalkeeper. Matty Young also tried his luck from distance but his effort flew just wide.

As the match entered stoppage time, it seemed destined to end level. However, in the 96th minute, another corner proved Haringey's undoing. Astuti initially did well to deny a near-post flick-on, and a second headed effort was well cleared off the line. But the ball fell kindly to Phillips once more, who smashed it low and hard past the Borough defence to snatch all three points for Maldon & Tiptree.

Bury Town 2 -1 Haringey Borough - Saturday November 23rd 2024

Boro's difficult run continued despite a battling and plucky showing against the league leaders in a blustery Bury St Edmunds.

The day's weather started relatively calmly, but a tree on the line at Stowmarket and signalling problems meant Boro's fans had to fight just to reach the Suffolk market town. But reach it they did and were paid back with a gutsy performance from which Boro were unlucky not to take a point.

No sooner had fans arrived to admire the excellent surface at Ram Meadow, Boro were behind - Cemal Ramadan capitalising on a sleepy Boro defence to send the ball past Jack West-Astuti and give Bury the lead inside a minute. Pessimists might have feared the worst, and for the first 15 minutes it looked like that was a prudent approach as Boro were bombarded - first a brilliant block on the line, then two good saves from West-Astuti kept the score 1-0.

But that pessimism was slowly drowned out amongst visiting fans as Boro started to compete. Derek Asamoah was getting good value off the shoulder of his marker and he stole through more than once - on 19 minutes

an attempted chip was anticipated by the keeper. Further good work down both flanks continued, and Tosin Olufemi - flourishing in a recently established right wing role - might have gone down under a challenge in the box on 28 minutes.

Then on 33 minutes a reminder of the danger - more sloppy play at the back and a Bury attacker had a golden chance to double the lead but the ball was skied out of the ground from well inside the box.

Still, Boro kept coming: Manny Yeboah forcing a rushed parry by the goalkeeper; a resultant flurry of corners and free kicks in the lead up to half time only interrupted by another good save by West-Astuti in the Boro goal. But 1-0 it remained at the break.

Boro were almost punished in the second half as they were in the first - a brilliant double save from Jack just after the restart justifying his new song - the result of a hastily convened workshop behind the Bury goal. The promised wind had started to blow at this stage, and a nasty squall enveloped Ram Meadow for much of the second half.

It wasn't just in the Boro goal that good keeping was on show - Charlie Beckwith, who might admit he didn't have the greatest game in the reverse fixture, was in much better form here as he saved an Aresti piledriver. Then he followed up with an even better save from an unlikely source: a corner was half cleared and fell to Scott Mitchell who, having shook off the nosebleed of being in open play in the final third, directed an absolute rocket at the top corner - so unlucky.

Inspired by Scott's foray into no man's land, West-Astuti was then caught having come rushing out and had no option but to bring down the attacker, for which he was booked. He made up for it shortly after with another excellent save as the game entered a fairly even period, culminating in Yeboah's withdrawal for the returning Joe Waight. His influence on the forward play was quickly clear, but it was Matt Young whose impact was most felt next. Taking the ball on the left side, he took on the defender and was brought down just inside the box for an undisputed penalty. Young stepped up himself and slid the ball past Beckwith to make it 1-1 after 67 minutes. Boro were deservedly on terms.

Aresti, who had caused problems in the middle, was replaced by Jorge Djassi-Sambu after 72 minutes... But the lead lasted just 3 minutes longer. Bury had been pressing and a shot was blocked to the edge of the area where sub Ollie Camfer - who had come on at the same time - steered the ball past everyone into the Boro net.

Boro might have lost hope at that, especially as Storm Bert really started to rage, but the intent was still there as Demmy Nicolaou and Stephane Mgbada were introduced. Caleb Dennis cut inside on 85 minutes and forced an excellent save again.

The referee - perhaps exercised by the weather, and who could blame him - indicated just 2 added minutes and Boro's chance seemed to have gone. But no - a last twist in the tail would present itself as Mgbada cut inside and sent a swirling, curling effort towards the far post where it hit the inside of the upright and cruelly span back out. And there was Asamoah, just yards out to meet it - but the combination of that spin, the weather and perhaps a little surprise meant the ball skidded off Del's despairing diving header for a goal kick met by a palpable sense of relief.

And that was your lot - a good old-fashioned game of football in terrible conditions. Boro have lost by the odd goal to the current pacesetters twice in 12 days, having given a good account across all 180 minutes. But points not performances are surely the aim now...

Boro: West-Astuti, Addo Kufour, Dennis, Taiwo-Pratt, Mitchell, Stirling, Olufemi (C) (Mgbada 77), Aresti (Sambu 72), Asamoah, Young (Nicolaou 85), Yeboah (Waight 64)

PAST ENCOUNTERS WITH TODAY'S VISITORS

Like us Redbridge are the outcome of mergers and name changes and the first meeting when both Clubs played under their current names was an FA Cup Preliminary Round tie in 1993/94 which resulted in a 1-1 draw at Coles Park followed by a 2-0 Borough replay win. The draw repeated itself in the following year and this time Redbridge won 2-1. Since then meetings have been few and far between with only 8 Competitive first team matches in total and 2 of them having already taken place this season, with 1 win each. Overall its 4 Borough wins, 3 Redbridge wins and 1 draw with 11 goals to Borough and 8 to Redbridge.

The Redbridge name was first used in season 2004/05 when Ford United changed their name. Ford United was the result of a 1959 merger between Ford Sports and the more successful Briggs Sports, both having been formed in 1934, with Briggs known as Briggs Motor Bodies until the outbreak of the 2nd World War. Its no surprise that Redbridge are still known as "The Motormen" today. Many were the Spartan League meetings with Wood Green Town by Briggs Sports and Ford Sports for in the late 1940's and the 1950's both also joined the Spartan League – Briggs in 1945 and Ford in 1953 – and remained there until their 1959 merger - So no strangers to Coles Park. Tufnell Park (Edmonton) were also Spartans for 2 seasons (1952/53 & 1953/54) with Tufnell's' home games being played at the Barrass Stadium. The merged Club decamped to the newly created and short lived (5 years) Aetolian League of which Ford United were its first Champions in 1959/60 and League Cup winners in 1960/61. 1964 saw them switch to the Greater London League, 1971 to the Metropolitan London League and 1974 to the Essex Senior League where they stayed until winning its 1996/97 Championship and promotion to the Isthmian League, since when they have had a roller coaster existence having at various times played at Steps 2 (as founder members of National Conference South Division), 3 and 4 (Isthmian Premier & 1 North Divisions) and 5 (Essex Senior League).

An exciting forward, it is hoped Stephane continues his development and secures a regular first team spot.

SCOTT MITCHELL – Scott is a centre back who has been with the Boro since 2017, a huge favourite with the fans he has amassed over 200 appearances and won the supporters player of the year twice. A player who brings experience and brings a love of playing for Haringey, which is why everyone appreciates him.

ALEXANDER NICOLAIDES – The top scorer last season for the Under 23s, Alex played 10 times for the first team. A very skilful forward and only 17 years old, much is hoped that Alex can make the successful transition to first team football.

DIMITRI NICOLAOU – A dual registration signing with Chelmsford City, Dimitri plays in midfield and is always looking to get on the ball to start an attack.

TOSIN OLUFEMI – Tosin returns after two seasons at Bishop's Stortford where he won the Isthmian Premier

League. Tosin was Haringey's captain when we won the play off in 2018 and his return is a real coup for the club. In his previous spells he played over 150 times and was top goal scorer in 2021/2022 despite being a right back.

ALAA OUJDI – A left back who likes to get forward, Alaa spent a several seasons at Ware making over 100 appearances before joining New Salamis where he was last season, 2023/2024.

CEM POYRAZ – Signed from Leverstock Green, Cem spent the 2023/2024 season at New Salamis mainly playing in midfield.

RAKIM RICHARDS – It would be easy to write a full page on the impact and influence Rakim has had on Haringey Borough, since our foundation as Haringey Borough no one has made more appearances than Rakim. Known as Raks, his first appearance was in the season 2010/2011 and has been a part of both the Essex Senior League winning team and the Isthmian North play off winning team. Club captain, Raks is currently recovering from injury and given his importance to the team, his injury played a key factor in the team suffering relegation last season.

SEAN SANKANU – Sean a centre back joins from AFC Wimbledon's academy, he also played for Corinthian Casuals on loan last season and has played a couple of times for the U23s this season.

J'ARDELL STIRLING – Despite the struggles last season Boro fans were pleased to see centre back J'Ardell re-sign for 2024-2025. Previous clubs include Walthamstow, Wingate & Finchley and Dunstable Town.

DAMILOLA TAIWO-PRATT – A centre half who joins from Dulwich Hamlet, prior to that Damilola played for Gillingham's U18s.

RUBEN TAVARES BAPTISTA – Ruben has progressed through both the Under 18 and Under 23 teams into the first team, demonstrating proof if you are good enough there is structure in place to develop at Haringey. Ruben is comfortable operating in any position down the right and has shown a determination to succeed since establishing himself in the first team squad.

JOE WAIGHT – A forward, Joe joins from Bowers & Pitsea, having also played for Averley during the 2024/2025 season. Last season Joe was top goal scorer for New Salamis. Previous clubs include Reading City and Wembley.

JACK WEST-ASTUTI - A goalkeeper from Australia, Jack joins from Aveley where he is also dual registered with Walton & Hersham. Jack has played for a number of clubs in Australia and Italy before moving to England.

EMMANUEL YEBOAH – A forward who spent the 2023/2024 season at Wingate & Finchley.

MATT YOUNG – A favourite with the fans Matt returns to the Boro from Folkestone Invicta having left us in the summer. A classy midfielder who scored 15 goals last season. Previously Matt was twice loaned to us by Leyton Orient in 2022/23.

MANAGEMENT

TOM LOIZOU (CLUB MANAGER) A man with wealth of experience and knowledge of the game who is always running around for the club; his passion is there for everyone to see and he keeps everyone at the Club on their toes - not just the players! With us since early 2009.

JOHNNY FITSIOU (MANAGING DIRECTOR) Has a wealth of experience in professional and non-league football. He supports Tom and the Chairman, Aki, in everything football related.

DAVID CUMBERBATCH (ASSISTANT MANAGER) Long serving back up to the Manager and the first to judge the merits of the many applicants seeking trials with the Club.

THOMAS O'DONOGHUE (FIRST TEAM COACH) known as 'Tucker' is an experienced coach who joined the coaching staff at the Borough in 2016.

LYS DEMETRIOU – (FIRST TEAM ASSISTANT COACH) – Lys joined the coaching staff from New Salamis in the summer of 2024.

EMELIE FITZGERALD (FIRST TEAM PHYSIOTHERAPIST) qualified therapist with previous experience with Potters Bar Town & Wingate & Finchley.

TREVOR NOTTINGHAM (GOALKEEPING COACH) – Trevor joined the Haringey coaching staff during the 2023/2024 season.
