HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF GORLESTON FC

Gorleston Football Club were always considered to have been formed in 1884, making them one of the oldest clubs in Norfolk.

Initially they wore Crimson Shirts and Blue Shorts earning the nickname of the Cards.

Their first competitive game was on 10/11/1888 when they played Beccles Caxton in the Suffolk Senior Cup, losing 1-0. In 1889 they moved to their spiritual home of the Recreation Ground playing their first game there on 09/11/1889 beating Yarmouth St Pauls 2-0.

It was in 1903 Gorleston adopted new colours of light green shirts and white shorts. The first trophy for The Greens came in the 1906/07 season when they won the Norfolk Junior Cup. The next season they became founder members of the Great Yarmouth Borough League and became champions in that first season.

The club then immediately applied for membership of the Norfolk and Suffolk league, which was granted, thus gaining them senior status. In their first season they finished third.

The Greens progressed between the wars to become one of the most successful clubs in East Anglia, winning the Norfolk and Suffolk League title seven times, the first in 1921, and lifting the Norfolk Senior Cup on eight occasions, the first in 1922, when they beat Lynn Town 1-0 in the final.

In 1925/26 they did the double of League Champions and Senior Cup winners.

Needing a new challenge, Gorleston became founder members of the Eastern Counties League in 1935. However, their only honour before the outbreak of the second world war was the Norfolk Senior Cup in 1938 when they beat Yarmouth 3-0 in the final.

Following the war it was the 1951/52 season when Gorleston gained national fame. They held third division Leyton Orient to a 2-2 draw in the first round proper of the F.A. Cup. Several thousand fans turned up at the Recreation Ground to see the replay which was a goalless draw. The third and decisive game was a memorable cup-tie held at Arsenal's Highbury. At one stage Gorleston were 4-1 down but staged a remarkable comeback before eventually losing 5-4.

The following season the Greens completed a treble in what was their most successful season. They won their first Eastern Counties League championship and the Norfolk Senior Cup again. They completed the unique treble by winning the East Anglian Cup. They also finished runners-up in the League Cup.

The League Cup was eventually won for the first and only time in 1956 when Spurs A were beaten 3-1 in the final. They again reached the F.A. Cup 1st round proper in 1957/58 season, but this time they were well beaten by Gillingham 10-1.

By the end of the fifties the club faced severe financial problems and were forced to withdraw from the Eastern Counties League back into the Norfolk and Suffolk league. In the mid-60's Gorleston became founder members of the Anglian Combination. They successfully rejoined the Eastern Counties League in 1969 after winning the Anglian Combination Premier Division title, along with the Norfolk Senior Cup, beating Downham 2-1 in the final.

In the ensuing 15 seasons the Greens won the Championship on 3 occasions in 1972/73, 1979/80 and 1980/81 and didn't finish lower than 8th.

In 1982/83 they won the East Anglian Cup for the second time beating Bishop Stortford in the final. It was also this season when the club moved from their spiritual home on Gorleston Recca to Emerald Park. The new purpose built stadium was built on part of the Magdalen Playing field on the outskirts of Gorleston.

The cost of the move to Emerald Park saw the Greens in financial difficulties once more and this had an effect on the field. League runners up in 1983 and Senior Cup winners a year later signalled the end of a winning period in the clubs history.

Following the move Gorleston were £150,000 in debt and it was only considerable good will from the bank and other creditors that kept the club afloat.

The next few seasons saw the Green's fortunes dip as they could no longer afford to pay for the top players and had to rely on local lads playing for fun. Subsequently, they were relegated to the first division in 1993/94. In the 1994/95 season the Greens missed promotion by two points and were finalists in the Norfolk Senior Cup. But, they bounced back the next season to the Premier Division after winning the Jewson League Division one title.

Creditable performances followed and culminated in runners up for season 2000/01 and winners of the Norfolk Senior Cup for the fourteenth time.

Sadly the end of the 2004-05 season saw Gorleston relegated again to the Ridges First. The following two seasons saw us struggle and finish in the lower reaches of division one.

In the season 2008/09 saw the 125th anniversary of the club starting with a prestigious friendly against Norwich City.

Former Norwich City Vice-Chairman and our club president, Jimmy Jones, was awarded the MBE in the Queens 2009 Birthday Honours list.

The 2009/10 season saw promotion missed by just one place but the following season saw success winning the division one k.o. cup, the league cup and promotion back to the premiership.

2011/12 saw the team win the Norfolk Senior Cup. It was a sad season however as our club president and 'Mr. Gorleston', Jimmy Jones, died, therefore unable to see his beloved Greens lift the Senior Cup. New chairman, Mr. Alan Gordon took up the reins.

2013/14 saw The Greens finish fourth and win the Norfolk Senior Cup for the 16th time. The Under 18's also brought silverware to Emerald Park, winning the East Division for the first time in the club's history and also reaching the Thurlow Nunn youth cup final.

The club were saddened to lose a great friend, manager and coach, Glyn Hopkins, who passed away in November 2014.

In 2015/16 the priority for new manager, Ricci Butler, was to maintain premier league status. The Reserve team, managed by Scott Butler, re-joined the Anglian Combination League with great success, finishing champions and not losing on route. also winning the CS Morley Cup.

2016/17 saw the first team reach the 4th round proper of the FA Vase. The Reserves gained a second successive promotion and retained the CS Morley Cup.

The Reserves made it four titles in a row in 2018/19 and gained promotion to Anglian Combination Division 1, also adding the Norfolk Junior Cup to their impressive title tally. The Under 18's took the honours in the East Division.

After a poor start to the 2019/20 season manager Stewart Larter resigned and the Chairman was quick to appoint brothers Ricci & Scott Butler as joint 1st team managers. This proved to be a very challenging season for them both and also for us all as Covid struck near the end of the season declaring the season null and void. Sadly in March 2020 Alan Gordon, chairman of Gorleston FC, passed away. He will be fondly remembered by the whole club and we are so proud of his achievements whilst at the helm

With Covid very much still disrupting fixtures, football took a back seat with only a handful of matches being played in 2020/21 but we did gain our 17th victory in the Norfolk Senior Cup Final.

2021/22 Football was back and what a season. The Chairman, Jamie Humphries, together with our joint managers, Ricci and Scott Butler, put a strong squad together and a commanding start to the season set out our intentions with 6 straight wins. A two-way tussle for the league title went down to the wire with Gorleston winning on the last day of the season to pip Wroxham to the Thurlow Nunn Premier Division Trophy by one point.

Sadly this was to be our last ever game at Emerald Park.

2022/23 saw The Greens play at Step 4 for the first time in the clubs history, in the Isthmian Football League North Division, in a ground share with Lowestoft Town FC. Manager Scott Butler was replaced by Darren Cockrill and assistant Ollie Willis who, after many challenges, secured the clubs league status and went on to win the Norfolk Senior Cup for the 18th time.

The Reserves finished runners up in their league and were promoted to the Anglian Comb Premier Division and senior football.

Season 2023/24 saw Gorleston move to a new home at The Wellesley in Gt Yarmouth and a mid-table finish was achieved. The Reserves won the Anglian Comb

Premier Division so were promoted into the Thurlow Nunn First Division.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Gorleston, their players, supporters and committee, we also welcome our officials, referee Jonathan Lam and his assistants Freddie Dutton and Peter Kwak.

Our four game unbeaten run came to an end last Saturday away at Brentwood Town, we could have and should have got a point, our resiliency and defending throughout the game was superb, just one moment of switching off and a bit of luck on their part and we conceded, it was even more hard to take given it was the 86th minute. It was a game of few chances the closest we came was from a corner where somehow the goalkeeper managed unknowingly to sit on the ball on the goal line with Raks right in front of him. We had a couple of players suffering from illness at Brentwood so hopefully they have recovered and we can start another unbeaten run. February consisted of three wins and a loss so we have given ourselves a chance to escape this predicament we find ourselves in and stay up. There's a long way to go, we have 30 points to play for and whilst others have games in hand we have to play a number of the teams around us. Goes without saying but every point counts and every game becomes must win or certainly must not lose. If we need any motivation today then let's look back to last October and the 7-0 drubbing we were given in Yarmouth, the train ride home was depressing, it was certainly the quietest journey I can remember and whilst it's a result I'd like to forget if it adds as an incentive to win today then some good can come out of it.

Next week we are away at Wroxham who missed the opportunity to go above us in midweek and send us back into the relegation places, following a loss at home to Concord Rangers. It is simply a massive game and certainly falls into the must not lose category with a win being a huge statement and a precious 3 points. We have already been successful there this season in the FA Trophy, 3-1 so that should give us encouragement. Please see the travel plans later in the programme as engineering works make it a more difficult journey than it already is normally.

Last time out at Coles Park we beat Ipswich Wanderers, another of our relegation rivals, and for once we controlled the game from the first minute to the last and fully deserved the 2-0 victory, our first goal was particularly good, with Cem superbly winning the ball inside the Ipswich half, passing it out to Derek, who gave it to Matt to cross in for Jorge Sambu to head home. A very well worked goal. The tackle from Cem was one of those moments that you cannot help as a fan to scream with excitement, it was full bloodied, passionate and perfectly fair. Plaudits are given to goalscorers for putting the ball in the net, Cem's tackle was worthy of a goal at the end of it. Our second goal came from Sydney Ibie who has returned to us from Bedford Town, he is a willing runner, a target to aim for up top and showed he knows where the goal is.

In the last couple of programmes I've mentioned that we have been carrying out work on the stadium to achieve the FA ground grading needed for us to continue at Step 4 of the non-league pyramid, I'm pleased to say that we have successfully carried out the work and this has now been signed off by the FA. This is great news, a lot of hard work has gone into achieving this particularly from Tom who oversaw the changing room work which was the major work needed for us to comply and Johnny Fitsiou who managed the assessor visits.

We recently received a letter from the Sierra Leone Football Association advising that Sean Sankanu, our centre half, has been called up for the national team for the forthcoming FIFA World Cup Qualifiers against Guinea-Bissau and Egypt. They also want him to represent their U20s team in the U20s African Nations Cup taking place between April and May in the Côte d'Ivoire. Huge congratulations to Sean on this accolade.

This must be the first programme this season where I have not to announce any comings or goings, player wise and the only reminder about a fixture change is regarding Concord Rangers away being moved forward 24 hours to Good Friday from Easter Saturday.

Today is a huge game, let's get behind the boys and make our support count. Come on Boro!

Women's Team

The team had last Sunday off and tomorrow play Wroxham, here at Coles Park, the team received the news in the week that they have been drawn at home in the Semi Final of Capital Women's Senior Cup against Arsenal Academy. As well as a place in the final at stake, given we beat Spurs Academy in the same competition last season the team have a chance to make it a double over their more well known North London counterparts, the game takes place on Sunday 16th March 2pm kick off and it will be £5 adults, £2

concessions, your support would be most welcome at what promises to be a fantastic occasion. On Monday three members of the team, Shawna, Nellz and Kiki were on BBC London talking about Women's football and their experiences at the Boro, link is below and they can be heard from approx. 41 minutes to the end of the show. It was also pleasing they gave a mention to, Karla Parker, who has contributed so much to the team and club over the years.

Under 23s

The team struggled to get 11 players for their game away at Ongar Town last week with coach Ricky Gayler stepping in to make up the numbers, the team ended up losing 4-2 with the bare 11. Sadly, it has become an all too familiar story recently, plenty of interest from players when the team are at home but numerous drop-outs leading up to away games. The number of phone calls between myself and Chris Odell the manager leading to emergency registrations on a Saturday morning has been extremely frustrating. Today they face Woodford Town Reserves away, with a home game against Sporting Hackney next Friday 7th March, 7.45pm kick off.

U18s

The team were beat 5-0 away at West Essex in the league on the 17th February and face Enfield Borough away, this coming Thursday, again in the league.

Sadly, more engineering works on the Greater Anglia route. The best and cheapest way to get to Wroxham is by Finsbury Park to Cambridge then Cambridge to Norwich then on to Wroxham by train or bus. For this trip it is better getting tickets for each leg of the journey, details below.

10.20 Cambridge to Norwich, change onto 11.45 to Hoveton and Wroxham arriving 11.58. It's a 25 minute walk to the ground via the fish and chip shops and pubs in Wroxham. Return trains at 17.24 or 18.28. Off peak day return £24.90 (cheaper with Railcard).

Alternatively, Norwich to Wroxham by bus. Norwich Railway Station Stop DD. Bus number 5B, destination Statham. Runs at 39 minutes past the hour, 31 stops (38 minutes) to Park Road, Wroxham, ground is 7 minute walk. Return 17 minutes past the hour.

LOOKING BACK TO LAST WEEK

A SETBACK BUT NOT A DISASTER

It would have been difficult for an unknowing spectator at Brentwood Town's Arena Stadium to work out which team was chasing the Championship and which was fighting relegation. So evenly matched were the teams that a goal-less draw seemed the likely result until yet again we were undone by the late goal curse, this time in the 86th minute, when a long clearance down the left wing looked like it was going out of play but veered inside at the last moment enabling the Brentwood winger to race on to it and deliver a low cross which gave an on-rushing striker a simple finish. Thus ended our four game unbeaten run. So we remain 18th and fortunately none of our fellow relegation strugglers won. Only Wroxham picked up point to move to 3 points behind us with 2 games in hand. Next up is one of our "must win" home games when mid-table Gorleston visit Coles Park today and last week's disappointment must quickly be put behind us and our winning mentality restored.....The UNDER 23s also lost away to Ongar Town, by 4-2, which more or less ended any lingering hopes of the top spot.....the WOMEN were without a game last Sunday but will be in action tomorrow when Wroxham visit Coles Park (2pm)

PAST ENCOUNTERS WITH TODAY'S VISITORS

Today's match is the 6th meeting of the Clubs and Borough are yet to register a win. As all our home games are now "must wins" as we fight to preserve our Step 4 status that just increases the need to break our duck today. The FA Cup paired us together in the First Qualifying Round in seasons 1984/85 and 1992/93 and both went to a replay which Gorleston won. Fast forward 32 years and its painful to remember the 5th encounter last October. Of course, Gorleston fully deserved their 7-0 win as they took full advantage of our error strewn performance which was surely the worst of the many sub-standard displays which got us relegated last season and could well do so again although recent results suggest we have improved enough to avoid that fate. Certainly the highest of our many defeats. Of the 16 strong squad which made the trip to "The Wellesley" – the listed Stadium of Great Yarmouth Town - where Gorleston ground share pending the finalisation of the building of their new stadium - nine are no longer with Borough and of the others it will be a surprise if more than four take part today. with injuries a factor as well as subsequent signings

Like our visitors of a fortnight ago, Ipswich Wanderers. Gorleston are former long term members of the Eastern Counties League having been a founder member in 1935/36 but financial difficulties forced them to withdraw in 1960 and they spent 9 years back in the Norfolk & Suffolk League and the Anglian Combination. They re-joined the Eastern Counties in 1969/70 and have since been in its top Division for all but 8 seasons. In 2021/22 winning the Championship of the Premier Division enabled them to become Isthmians (Ipswich Wanderers followed them in the next season) and finished in comfortable mid-table positions, 13th and 10th in their first two Step 4 campaigns. They did visit Coles Park in those two seasons to play our then ground sharers New Salamis, winning 3-1 on 7th January 2023 but losing 2-0 on 16th December 2023. They were formed in 1887 and as well as the Norfolk and Suffolk League and the Anglian Combination they had previously played in the Great Yarmouth Borough League of which they were founder members in 1907.

Currently they are in 12th position and although not mathematically safe seem well set for another mid-table finish.

TWO rounds from gracing the hallowed turf at Wembley Stadium, it's perfectly natural to assume that players from the 16 clubs competing in this weekend's Isuzu FA Trophy and Vase quarter-finals are getting pretty twitchy right now.

So, as a football manager, the question is how do you channel those nerves, excitement, and perhaps a tinge of anxiety, into a winning mentality? Is it possible to keep emotions in check and feet on the ground?

Well, as Hartpury University manager Dr Martin Longworth told me this week, the answer is with great difficulty.

Dr Longworth's entire Hartpury squad are made up of current students aged between 16 and 25 with dreams of a lasting football career, and they're making a pretty good fist of it so far, sitting pretty on top of the Hellenic League Premier Division table on the back of a 27-game unbeaten run stretching back to September. "It's really hard to keep a 16-18-year-old's feet on the ground when you're two rounds from Wembley and we haven't shied away from that," Dr Longwell said.

"We've made it very clear that that could happen, there's no point hiding from it – it's good motivation for us. "Yes, you've got to take each game as it comes but, ultimately, we are potentially two rounds from Wembley." Hartpury's two-game mission starts this afternoon when Southern Counties East League side Erith & Belvedere are the visitors to the Hartpury University Stadium they share with the Rugby Championship club of the same name.

Many people's favourites for the Vase, Dr Longwell's men have won all four of their matches 1-0 to get to this stage, could history repeat itself all the way to the semi-finals this afternoon.

In the other three quarter-final ties, Southern Counties East League play-off chasers Whitstable Town take on Whitchurch Alport, of the Midland Football League, while bookies' favourites AFC Whyteleafe, of the Combined Counties Premier South, take on United Counties League Premier North opponents Bourne Town. Re-instated Andover New Street, reprieved by Roman Glass St George fielding an ineligible player, complete the line-up with the Wessex League side hosting United Counties League side Heanor Town, making the last eight for the first time in their history.

The Isuzu FA Trophy is just as intriguing.

Story of the season, undoubtedly, are Step 4 Isthmian League Division One South East club Sittingbourne FC. Not only are the Brickies the last non-National League club standing, but they have also won through eight ties, scoring 18 goals along the way.

During that run, Ryan Maxwell's side have beaten SIX teams on higher standing, including away at National League Southend United in the last round.

According to our friends at @FATrophyFactfile, their run to the last eight in the club's 50th FA Trophy campaign, is a competition record.

This lunchtime, Sittingbourne host National League Aldershot Town for whom a victory would equal their best Trophy performances to the semi-finals, last achieved 17 years ago.

Since the original Aldershot FC were formed 99 years ago, the club has never reached a Wembley final.

Elsewhere, the Shots' local rivals, and three times former Trophy winners, Woking, travel to National League North opponents Oxford City who are equalling their best Trophy run from four years ago.

The Hoops will be looking to make it third time lucky against Woking in the FA Trophy having twice exited the competition at the hands of The Cards in the past.

The only other National League North club still involved are looking to prevent their opponents from avenging a past Trophy defeat. Spennymoor Town travel to National League side and 1980-81 Trophy finalists, Sutton United, hoping to replicate their 3-0 victory over the Us from six years ago.

And in the only all-National League affair, Rochdale, in just their second Trophy campaign, host an Altrincham side aiming to try to lift the Trophy for the third time in the club's history.

One thing's for sure, they'll be 16 squads of players going hell for leather this afternoon in a bid to get one step closer to Finals Day on Sunday May 11.

As the great Ossie Ardiles sung during Tottenham Hotspur's FA Cup song back in 1981, 'Ossie's Going To Wembley, His Knees Have Gone All Trembly'.

If the Vase and Trophy hopefuls aren't nervous and excited enough this weekend, they'll be plenty of trembly knees on the terraces, that's for sure.

Known as Raks, his first appearance was in the season 2010/2011 and has been a part of both the Essex Senior League winning team and the Isthmian North play off winning team. "The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities."
